**Attorney:** Law Offices of Samuel V.P. Banks

**Change Request:** B3-5 Community Shopping District, Limited Manufacturing/Business Park District to B3-5 Community Shopping District, Community Shopping District

**Purpose:** The Applicant is seeking a Zoning Map Amendment in order to permit the physical expansion of the existing one-story commercial-retail (yoga studio) building (3,350.44 square feet Approx.), commonly identified as 1845 North Milwaukee Avenue, which yoga studio is presently non-conforming under the current Zoning Ordinance. Part of the expansion plan calls for the erection of a new five-story addition (6,329.16 square feet Approx.), at the rear of the existing commercial-retail building, which will be for the exclusive use of the existing yoga studio. The proposed expansion plan also features multiple levels of outdoor amenity and practice space, for the yoga studio, as well as the provision of internal (garage) parking for at least three (3) vehicles, within the grade-level of the existing building – at the rear. \*[There is currently zero off-street vehicular parking at the site.] The subject property is located within 1,320 linear feet of the entrance to the Milwaukee-Western Avenue CTA Train Station, and – therefore, the expansion plan qualifies for reduced vehicular parking, pursuant to the Transit Oriented Development (TOD) Ordinance, though no vehicular parking is required for this use at this site, even as expanded. The existing one-story carwash facility (2,205 square feet Approx.) will remain unchanged. The existing building, with the proposed five-story addition, will be masonry and steel in construction and will measure 69 feet-10 inches in height.
