*Rules Suspended* -- TRIBUTE TO LATE DR. BETTY HOWARD.

[R2014-453]

The Honorable Rahm Emanuel, Mayor, presented the following communication:

OFFICE OF THE MAYOR  
CITY OF CHICAGO

June 25, 2014.

*To the Honorable, The City Council of the City of Chicago:*

LADIES AND GENTLEMEN -- I transmit herewith, together with Alderman Mitts, a resolution honoring the life and memory of Betty Howard.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,  
*Mayor.*

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, The members of this chamber mourn the death of Dr. Betty Howard, the beloved head of the special education department at Gwendolyn Brooks College Preparatory Academy, who, on the afternoon of May 29, 2014, became one of the latest victims of the scourge of firearm violence; and

WHEREAS, Dr. Howard's death was almost inconceivably senseless. She had stopped for just a moment at the real estate office where she held a second job to drop off some paperwork, and was chatting with co-workers when an apparently gang-related dispute erupted on the street outside. Shots were fired, and a stray bullet tore through the office's exterior wall, striking Dr. Howard in the head; and

WHEREAS, This tragic incident deprived the City not only of an educator of unsurpassed talent and dedication, but also a beautiful human being; and

WHEREAS, Dr. Betty Howard, who grew up in Englewood, was the wife of Reverend Major Howard of New Light Holiness Church, the mother of two sons, the grandmother of two and the sister of Chicago Police Officer Orlando Long; and

WHEREAS, Dr. Howard valued education from a young age, graduating from Chicago State University, where she was an active member of the Alpha Kappa Alpha sorority, and going on to earn her doctorate; and

WHEREAS, In her seven years as a special education teacher at Brooks College Prep, Dr. Howard would travel to homes to teach disabled students, and even ride school buses when school aides were absent, going far above and beyond her formal responsibilities to help some of the City's most challenged youth; and

WHEREAS, On top of her teaching career and work in real estate, the tireless Dr. Howard somehow made the time to work as a case manager at her church and to organize a tutoring program; and

WHEREAS, The depth of this tragedy was perhaps best expressed by D'Andre Weaver, the principal at Brooks College Prep, who described Dr. Howard's death as "indescribably difficult" for the school, and lamented that the school's "entire staff, students and parents are deeply saddened by the unexpected, untimely and unwarranted loss of our friend, teacher and colleague. Her love for all children, but particularly children with diverse learning needs, was second to none"; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 25<sup>th</sup> day of June 2014, do hereby celebrate the life of Dr. Betty Howard and offer our heartfelt condolences to her family, friends, colleagues and students; and

*Be It Further Resolved*, That a suitable copy of this resolution be presented to the family of Dr. Howard as a token of our sympathy and good wishes.

On motion of Alderman Burke, seconded by Aldermen Fioretti, Beale, Thompson, Graham and Mitts, the foregoing proposed resolution was *Adopted* by a rising vote.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose to offer the condolences and support of the people of Chicago to the family of Dr. Betty Howard. Reflecting on the life of Dr. Howard, Mayor Emanuel spoke of her abiding commitment to her family, her community and her church. Dr. Howard's love of education and commitment to helping others led her to become a special education teacher at Brooks College Preparatory Academy where, the Mayor noted, she quickly became a ray of light to her students who she embraced not as special needs children but simply special children. Dr. Howard was an extraordinary and generous individual who touched the hearts of many, the Mayor observed, and she will be greatly missed by those fortunate to know her. The Mayor then left the rostrum and strode to the commissioners' gallery where he presented parchment copies of the memorial resolution to the family of Dr. Betty Howard.

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, gathered here on this 25<sup>th</sup> day of June 2014, do hereby join all Chicagoans in congratulating RIC Blackhawks Sled Hockey Team members Kevin McKee and Brody Roybal, and their coach, Dan Tun, for their contributions to the United States Paralympic movement and for their commitment to sportsmanship that breaks barriers and serves to inspire us all; and

*Be It Further Resolved*, That suitable copies of this resolution be prepared and presented to Kevin McKee, Brody Roybal and Dan Tun as a sign of our pride and good wishes.

O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappelman, Pawar, Osterman, Moore, Silverstein -- 48.

Recognizing the sacrifice necessary for this extraordinary achievement, Mayor Emanuel commended the athletes for their discipline and commitment both on and off the ice and lauded the spirit, focus and fortitude of the honorees in overcoming adversity which he declared as the defining character of a champion. As the largest and longest standing segregated unit in our military's history, the 65<sup>th</sup> Infantry Regiment is no different. In the face of segregation and discrimination, the Borinqueneers demonstrated valiant service to our nation. The regiment served in World War I, World War II, and the Korean War. About 62,000 Puerto Ricans joined the military during World War II, and more than 43,000 fought in the Korean War, representing the United States and Puerto Rico proudly. They were often among the first into battle and have been the recipients of numerous awards and commendations; and

WHEREAS, The 65<sup>th</sup> Infantry Regiment was originally formed as a battalion of volunteer infantry in Puerto Rico in 1899 and first saw combat in World War I. The unit fired the first shot of the war by U.S. regular armed forces while defending the harbor of San Juan against a ship flying the colors of the Central Powers. Members of the Regiment also served in World War II and, with particular distinction, in the Korean War, where they earned 10 Distinguished Service Cross awards, 256 Silver Stars, 606 Bronze Stars, and 2,771 Purple Hearts by war's end; and

WHEREAS, A Congressional Gold Medal is an award bestowed by the United States Congress and is, along with the Presidential Medal of Freedom, the highest civilian award in the United States. The Congressional Gold Medal is awarded as a national expression of gratitude to the men and women who perform outstanding acts of service that advance the security, prosperity, and national interest of the United States of America; and

WHEREAS, On April 25, 2013, H.R. 1726 was introduced and sponsored by Bill Posey, Florida's 8<sup>th</sup> Congressional District (113<sup>th</sup> Congress, 2013-2015), to award the Congressional Gold Medal to the 65<sup>th</sup> Infantry Regiment, known as the Borinqueneers. U. S. CONGRESS URGED TO DECLARE BAN ON NON-THERAPEUTIC ANTIBIOTIC USE IN LIVESTOCK.

[R2014-286]

The Committee on Finance submitted the following report:

CHICAGO, June 25, 2014.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a resolution calling for the United States Congress to declare a ban on non-therapeutic antibiotic use in livestock, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Fioretti, Dowell, Burns, Hairston, Sawyer, Holmes, Harris, Beale, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, Lane, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Chandler, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Sposato, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 48.

*Nays* -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as Adopted:

WHEREAS, One of the most serious threats to health in the United States and globally is the increasing prevalence of antibiotic resistant infections caused by bacteria known as "superbugs" because they are not treatable by existing antibiotics; and

WHEREAS, The annual cost of antibiotic-resistant infections to United States healthcare is \$26 billion; and

WHEREAS, It is estimated that patients stay in hospitals a total of eight million extra days every year due to antibiotic-resistant infections; and

WHEREAS, In 2005, 19,000 people died from the staph superbug known as MRSA, which was more than those who died from AIDS, from emphysema, or by homicide that year; and

WHEREAS, The Centers for Disease Control and Prevention reported more recently that at least two million Americans suffer from antibiotic-resistant bacterial infections each year and 23,000 Americans die from those infections; and

WHEREAS, The medical and social costs of superbug infections in just one hospital for one year have been estimated to be between \$13 million and \$18 million; and

WHEREAS, Eighty percent of the antibiotics sold in the United States is routinely used non-therapeutically on livestock to compensate for keeping them in unsanitary and overcrowded conditions as well as to make animals grow faster; and

WHEREAS, The widespread non-therapeutic use vastly increases the likelihood that the otherwise small number of disease-resistant bacteria can spread, affecting meat and poultry, and growing crops fertilized by affected animal droppings, and thereby spread to humans; and

WHEREAS, In January 2013, Consumer Reports published test results indicating that pork products sold nationwide had high levels of salmonella and other dangerous bacteria, following an earlier report finding similar results in poultry products; and

WHEREAS, According to Elizabeth Jungman, the Pew Charitable Trust's director of drug safety and innovation, "antibiotic resistance is rapidly outpacing the development of new drugs. It's a threat we can't afford to ignore"; and

WHEREAS, A ban in Denmark on non-therapeutic antibiotics in food animals resulted in little change in animal morbidity and mortality, and only a modest increase in production cost when compared to the enormous costs of healthcare resulting from infected food; now, therefore,

*Be It Resolved*, That the Mayor and members of the City Council of Chicago urge the Congress of the United States to declare a ban on the non-therapeutic use of antibiotics in the production of livestock by the passage of House Bill 1150, the Preservation of Antibiotics for Medical Treatment Act (PAMTA) in the House of Representatives and of Senate Bill 1256, the Prevention of Antibiotic Resistance Act (PARA) in the United States Senate; and

*Be It Further Resolved*, That a copy of this resolution be provided to Senator Dick Durbin, Senator Mark Kirk, and the members of the Chicago delegation in the United States House of Representatives.

If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

#### Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

#### Article Two: The Melody Project

The Board covenants, represents and warrants that the plans and specifications for the Melody Project at a minimum meet the general requirements for the Melody Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting

the Melody Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

#### Article Three: Funding

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Melody TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Melody TIF-Funded Improvements out of the Melody City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Melody City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Melody Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Melody Project is \$1,500,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Melody Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Melody City Funds to the Melody Project and that all costs of completing the Melody Project over the Melody City Funds shall be the sole responsibility of the Board. The Board shall not request any additional funds under that certain intergovernmental agreement with the City regarding Austin High School dated as of March 1, 2011.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Melody Project, to be paid for out of Melody City Funds ("Melody TIF-Funded Improvements"); and to the extent the Melody TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Melody TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Melody TIF-Funded Improvements are necessary and directly result from the Madison/Austin Redevelopment Plan. All Melody TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Madison/Austin Redevelopment Plan; and (c) be improvements that the Commissioner has agreed to pay for out of Madison/Austin Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Melody Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2021, the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the

Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Melody Property or any interest therein, or (b) the Melody Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Melody City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three, Section 7 shall be construed as prohibiting the Commission from holding title to the Melody Property or the Melody Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Melody Property or the Melody Facility in trust for the use of schools as may be permitted or required by law.

#### Article Four: Term

The Term of the Agreement shall commence effective as of the date first set forth above and shall expire on the date on which the Madison/Austin Redevelopment Area is no longer in effect (through and including December 31, 2023).

#### Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Melody Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

WHEREAS, The Board is a taxing district under the Act; and

WHEREAS, The Madison/Austin Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Tilton Project, within the boundaries of the Madison/Austin Area; and

WHEREAS, In accordance with the Act, the Tilton TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Madison/Austin Redevelopment Plan, and the City has found that the Tilton TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Tilton Facility that are necessary and directly result from the redevelopment project constituting the Tilton Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; and

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Commissioner of the Department of Planning and Development or his designee is authorized to execute an agreement and such other documents as are necessary, between the City and the Board in substantially the form attached as Exhibit A (the "Agreement"). The Agreement shall contain such other terms as are necessary or appropriate.

SECTION 3. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Tilton Project.

The Board covenants, represents and warrants that the plans and specifications for the Tilton Project at a minimum meet the general requirements for the Tilton Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Tilton Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

Article Three: Funding.

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Tilton TIF-Funded Improvements for which the Board seeks

reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Tilton TIF-Funded Improvements out of the Tilton City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Tilton City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Tilton Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Tilton Project is \$500,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Tilton Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Tilton City Funds to the Tilton Project and that all costs of completing the Tilton Project over the Tilton City Funds shall be the sole responsibility of the Board. The Board shall not request any additional funds under that certain intergovernmental agreement with the City regarding Austin High School dated as of March 1, 2011.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Tilton Project, to be paid for out of Tilton City Funds ("Tilton TIF-Funded Improvements"); and to the extent the Tilton TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Tilton TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Tilton TIF-Funded Improvements are necessary and directly result from the Madison/Austin Redevelopment Plan. All Tilton TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Madison/Austin Redevelopment Plan ; and (c) be improvements that the Commissioner has agreed to pay for out of Madison/Austin Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Tilton Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2021, the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City.

It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Tilton Property or any interest therein, or (b) the Tilton Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Tilton City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three, Section 7 shall be construed as prohibiting the Commission from holding title to the Tilton Property or the Tilton Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Tilton Property or the Tilton Facility in trust for the use of schools as may be permitted or required by law.

#### Article Four: Term.

The Term of the Agreement shall commence effective as of the date first set forth above and shall expire on the date on which the Madison/Austin Redevelopment Area is no longer in effect (through and including December 31, 2023).

#### Article Five: Indemnity; Default.

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Tilton Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default ' until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by

the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

WHEREAS, The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, To induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on September 29, 1999, published at pages 11507 through 11662 of the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for said date, as amended by ordinances adopted by the City Council on November 3, 2004 (published at pages 34555 through 34569 of the *Journal* of said date): "An Ordinance of the City of Chicago, Illinois Approving and Adopting a Tax Increment Redevelopment Project and Plan for the Madison/Austin Corridor Redevelopment Project Area"; "An Ordinance of the City of Chicago, Illinois Designating the Madison/Austin Corridor Redevelopment Project Area as a Tax Increment Financing District"; and "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Financing for the Madison/Austin Corridor Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Madison/Austin TIF Ordinances", the Redevelopment Plan approved by the Madison/Austin TIF Ordinances is referred to herein as the "Madison/Austin Redevelopment Plan" and the redevelopment project area created by the Madison/Austin TIF Ordinances is referred to herein as the "Madison/Austin Redevelopment Area"); and

(Increment collected from the Madison/Austin Redevelopment Area shall be known as the "Madison/Austin Increment"); and

WHEREAS, The Board is a taxing district under the Act; and

WHEREAS, The Madison/Austin Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Spencer Project, within the boundaries of the Madison/Austin Area; and

WHEREAS, Subject to the availability of Madison/Austin Increment, the City desires to use a portion of the Madison/Austin Increment (the "Spencer City Funds") for the Spencer Project; and

WHEREAS, The City agrees to use the Spencer City Funds in an amount not to exceed \$700,000 to reimburse the Board for a portion of the costs of the Spencer TIF-Funded Improvements (as defined in Article Three, Section 3 of Exhibit A hereto) for the Spencer Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, In accordance with the Act, the Spencer TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Madison/Austin Redevelopment Plan, and the City has found that the Spencer TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Spencer Facility that are necessary and directly result from the redevelopment project constituting the Spencer Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act; and

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Commissioner of the Department of Planning and Development or his designee is authorized to execute an agreement and such other documents as are necessary, between the City and the Board in substantially the form attached as Exhibit A (the "Agreement"). The Agreement shall contain such other terms as are necessary or appropriate.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

NOW, THEREFORE, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

#### Article One: Incorporation of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

#### Article Two: The Spencer Project.

The Board covenants, represents and warrants that the plans and specifications for the Spencer Project at a minimum meet the general requirements for the Spencer Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Spencer Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

#### Article Three: Funding.

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Spencer TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Spencer TIF-Funded Improvements out of the Spencer City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department).

The City shall disburse the Spencer City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Spencer Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Spencer Project is \$700,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Spencer Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Spencer City Funds to the Spencer Project and that all costs of completing the Spencer Project over the Spencer City Funds shall be the sole responsibility of the Board. The Board shall not request any additional funds under that certain intergovernmental agreement with the City regarding Austin High School dated as of March 1, 2011.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Spencer Project, to be paid for out of Spencer City Funds ("Spencer TIF-Funded Improvements"); and to the extent the Spencer TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Spencer TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Spencer TIF-Funded Improvements are necessary and directly result from the Madison/Austin Redevelopment Plan. All Spencer TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Madison/Austin Redevelopment Plan ; and (c) be improvements that the Commissioner has agreed to pay for out of Madison/Austin Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Spencer Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2021, the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City.

It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Spencer Property or any interest therein, or (b) the Spencer Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Spencer City Funds hereunder pursuant to the Act. I. All of the Project Site lies wholly within the boundaries of the Near South Redevelopment Area (as hereinafter defined).

J. To induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on November 28, 1990, and published in the Journal of Proceedings of the City Council of the City of Chicago (the "Journal") for such date at pages 25969 to 26047: (1) An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Central Station Redevelopment Project Area; (2) An Ordinance of the City of Chicago, Illinois Designating the Central Station Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act; and (3) An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Central Station Redevelopment Project Area (the "TIF Adoption Ordinances"). L. The TIF Ordinances contemplate that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Near South Redevelopment Area.

M. The Park District is a taxing district under the Act.

N. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the TIF Ordinances, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

O. The City and the Park District wish to enter into this Agreement whereby the Park District shall undertake the Project and the City shall (1) convey the City Property to the Park District; (2) reimburse or pay the Park District for funding the Project costs (the "TIF-Funded Improvements") in an amount not to exceed \$2,500,000 (the "Project Assistance").

NOW, THEREFORE, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

## TERMS AND CONDITIONS

### SECTION 1. THE PROJECT.

1.1 The Park District will purchase the City Property in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto, including but not limited to 70 ILCS 1505/0.01 et seq. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

1.2 No later than 6 months after the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction and/or development of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3 The Project shall at a minimum meet the requirements set forth in the Project Description in Exhibit C attached hereto and hereby made a part hereof, and comply with plans and specifications to be provided to and approved by DPD prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of City Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.4 The Park District shall also provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Project Site as a public park from all appropriate governmental authorities.

1.5 The Park District shall include a certification of compliance with the requirements of Sections 1.2, 1.3, and 1.4 hereof with each request for City Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

### SECTION 2. FUNDING.

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District.

2.2. The Park District may request that a certificate(s) of expenditure in the form of Exhibit D attached hereto and hereby made a part hereof ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in

excess of the actual costs of the Project that are TIF-Funded improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

- (a) the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- (b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;
- (c) the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications previously approved by DPD; and
- (d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.3. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.2 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.4. The current estimate of the cost of the Project is \$2,650,000. The Park District has delivered to the Commissioner a project budget for the Project attached as Exhibit E attached hereto and hereby made a part hereof. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete the Project. The Park District agrees that the City will only contribute the Project Assistance to the Project and that all costs of completing the Project, including, but not limited to, costs relating to the Project Site, over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.5. Exhibit E contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit E as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreement.

2.6. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2.6 and Section 2.1. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.7. If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

### SECTION 3. TERM. CONVEYANCE AND RIGHTS OF ENTRY.

3.1 The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Near South Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

3.2 The Park District shall complete the construction and development of the Project within one (1) year following the Closing Date.

3.3 The City shall convey the City Property to the Park District by quitclaim deed for the sum of One Dollar (\$1.00) on the Closing Date. 3.4 The Park District agrees to notify the City at least five (5) days prior to commencing the Project. The Park District further agrees to notify the City promptly upon completing the Project. The Park District shall require its contractor to provide the City evidence of the types and amounts of insurance as shall be determined by the City and to indemnify the City against all liabilities resulting from the commencement, management, performance, and, after completion, maintenance of the Project.

3.5 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the City Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption, but shall have no further duties with respect to any such taxes. Furthermore, the Park District shall be responsible for all taxes accruing on the City Property after the Closing Date.

4.1. The Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein. The City's financial obligation shall be limited to an amount not to exceed \$2,500,000 with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the City Property or the suitability of the City Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the City Property prior to commencement of any remediation or development on the City Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the City Property. The Park District agrees to keep the Project Site free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3. The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

4.4 In addition, the City Property shall be conveyed to the Park District in its "as is, where is" condition, with no warranty, express or implied, by the City as to the condition of the soil, its geology, or the presence of known or unknown faults. It shall be the sole responsibility of the Park District to investigate and determine the soil and environmental condition of the City Property. If the soil conditions are not in all respects entirely suitable for the use or uses to which the City Property is intended to be utilized for under this Agreement, then it shall be the sole responsibility and obligation of the Park District to take such action as may be necessary to place the soil and environmental condition of the City Property in a condition entirely suitable for the intended uses under this Agreement. After the City's conveyance of the City Property to the Park District, the Park District shall have no recourse whatsoever against the City under any Environmental Laws or any other laws, rules or regulations for the environmental, soil or other condition of the City Property. For purposes of the foregoing, "Environmental Laws" shall mean any and all federal, state or local statutes, laws, regulations, ordinances, codes, rules, orders, licenses, judgments, decrees or requirements relating to public health and safety and the environment now or hereafter in force, as amended and hereafter amended, including but not limited to (i) the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

M. The City and the Park District wish to enter into this Agreement whereby the Park District shall undertake the Project and the City shall reimburse the Park District for the TIF-Funded Improvements made pursuant to the Project.

N. On [[June \_\_\_\_, 2014]], the City Council adopted an ordinance published in the Journal for said date at pages [[\_\_\_\_—\_\_\_\_]], (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

O. On January 15, 2014, the Park District's Board of Commissioners passed an ordinance expressing its desire to accept TIF Assistance from the City for the Project and authorizing the execution of this Agreement (the "Park District Ordinance").

NOW, THEREFORE, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

## TERMS AND CONDITIONS

### SECTION 1. THE PROJECT.

1.1. No later than eighteen (18) months from the Closing Date, or later as the Commissioner of HED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The plans and specifications for the Project (the "Plans and Specifications") shall at a minimum meet or shall have met the general requirements set forth in Exhibit B hereof and comply with plans and specifications which the Park District will have provided to, and be approved by, HED prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2. and 1.3 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

## SECTION 2. FUNDING

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2. The City shall establish a special account within the Western Avenue North Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the "Welles Park-Fieldhouse/Pool & Other Improvements Account." Disbursement of TIF Assistance funds will be subject to the availability of Western Avenue North Increment in the Welles Park Account, subject to all restrictions on and obligations of the City contained in all Western Avenue North Ordinances, or relating to the Western Avenue North Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1. the Park District has satisfactory title to the Property, which may be evidenced by an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Park District; and

2.3.2. the Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2.4. The Park District may request payment from the City by submitting a Certificate of Expenditure in the form of Exhibit D hereto ("Certificate of Expenditure") be processed and executed periodically, but in no event more frequently than quarterly. The City shall not execute and approve Requisitions for Payment in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to HED. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.4.1. the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimated cost of the entire Project is \$1,300,000. The Park District has delivered to the Commissioner a budget for the Project attached as Exhibit C. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will only contribute TIF Assistance to reimburse the Park District for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.7. Exhibit C contains a preliminary list of capital improvements, equipment costs, general construction costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to Exhibit C as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

### SECTION 3. TERM.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Western Avenue North Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

### SECTION 4. ENVIRONMENTAL MATTERS.

4.1. It shall be the responsibility of the Park District, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property, including obtaining phase I and, if applicable, phase II environmental audits for the Property and (b) to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on Exhibit C. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

## SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1. Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

5.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4. Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

5.1.5. Self Insurance. To the extent permitted by applicable Law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the

insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

#### SECTION 6. INDEMNITY / NO PERSONAL LIABILITY.

6.1. The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

#### SECTION 7. DEFAULT.

7.1. If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3. Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4. The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

RE: Amending Agreement To Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor, I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and
- (iv) the Certificate of Good Standing dated \_\_\_\_\_ issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

---

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Developer is hereby designated as the developer for the Project pursuant to Section 5/11-74.4-4 of the Act.

SECTION 3. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver a redevelopment agreement between the Developer and the City in substantially the form attached hereto as Exhibit A and made a part hereof (the "Revised Redevelopment Agreement"), and such other supporting documents as may be necessary to carry out and comply with the provisions of the Revised Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Revised Redevelopment

Agreement. The Commissioner is authorized to negotiate and enter into arrangements with lenders, providers of credit enhancements and other third parties who provide Debt Financing (as defined in the Revised Redevelopment Agreement) who may benefit from liens on the Property (as defined in the Revised Redevelopment Agreement) that, among other considerations deemed necessary or appropriate, address such limitations, consider the granting of consents and waivers relating to the covenants that run with the land by such third parties and the City, as determined by the Commissioner to be in the interest of the City and the Project.

SECTION 4. The City Council hereby finds that the City is authorized to issue not to exceed one taxable tax increment allocation revenue obligation and not to exceed one tax-exempt tax increment allocation revenue obligation, in an aggregate principal amount not to exceed \$6,935,395, for the purpose of paying a portion of the eligible costs included within the Project. The aggregate amount of all City Notes and all Direct Payments (as such terms are defined herein), combined, shall not exceed \$7,935,395.

SECTION 5. A tax-exempt note of the City in an aggregate principal amount up to \$5,548,316 shall be issued for the payment of a portion of the eligible redevelopment project costs (as such term is defined under the Act) included within the Project (such costs shall be known herein and in the Revised Redevelopment Agreement as "TIF-Eligible Improvements") and shall be designated as follows: "Tax Increment Allocation Revenue Note, Stevenson/Brighton Redevelopment Project Area (Pulaski Promenade Project), Tax-Exempt Series A" ("Tax-Exempt Note").

A taxable note of the City in an aggregate principal amount up to \$1,387,079, or in such larger aggregate principal amount as provided in Section 4.03(c) of the Revised Redevelopment Agreement, shall be issued for the payment of a portion of the TIF-Eligible Improvements and shall be designated as follows: "Tax Increment Allocation Revenue Note, Stevenson/Brighton Redevelopment Project Area (Pulaski Promenade Project), Taxable Series B" ("Taxable Note").

Each of the notes is referred to individually as a "City Note" and are referred to collectively as the "City Notes".

City Notes shall be in substantially the form attached hereto as Exhibits B and C and made a part hereof, with such additions or modifications at the time of issuance as shall be determined to be necessary by the person duly appointed and serving as the Chief Financial Officer of the City or, if no such person has been appointed, then the City Comptroller (the "Authorized Officer").

The City Notes shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Notes are hereby appropriated for the purposes set forth in this Section 5.

Each City Note shall mature as described in the Revised Redevelopment Agreement, and shall bear interest at a fixed interest rate as described in the Revised Redevelopment Agreement, until the principal amount of each City Note is paid or until maturity, with the

exact rate to be determined by the Authorized Officer, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on the City Notes shall be paid by check, draft or wire transfer of funds by the Authorized Officer, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the City Notes are registered at the close of business on the 15<sup>th</sup> day of the month immediately prior to the applicable payment, maturity or redemption date; provided, that the final installment of the principal and accrued but unpaid interest of the City Notes shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Notes, and the City Notes shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk or any Deputy Clerk of the City, and in case any officer whose signature shall appear on the City Notes shall cease to be such officer before the delivery of the City Notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Notes shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the City Notes, and showing the date of authentication. The City Notes shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Notes shall be conclusive evidence that the City Notes have been authenticated and delivered under this ordinance.

SECTION 6. The City shall cause books (the "Register") for the registration and for the transfer of the City Notes (to the extent such transfer is permitted under the Revised Redevelopment Agreement) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Notes. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Notes.

Upon surrender for a transfer of a City Note authorized under the Revised Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by, the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the Revised Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered City Note of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be

authorized to authenticate, date and deliver the City Note. The Registrar shall not be required to transfer or exchange a City Note during the period beginning at the close of business on the 15<sup>th</sup> day of the month immediately prior to the maturity date of the City Note nor to transfer or exchange a City Note after notice calling a City Note for prepayment has been made, nor during a period of five (5) business days next preceding mailing of a notice of prepayment of principal of a City Note. No beneficial interests in a City Note shall be assigned, except in accordance with the procedures for transferring a City Note described above.

The person in whose name each City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of a City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the City Notes to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Notes, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Notes.

SECTION 7. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Notes and to cause the City to issue the City Notes on such terms as the Authorized Officer may deem to be in the best interest of the City. The principal of the taxable City Note shall be subject to prepayment as provided in the form of taxable City Note attached hereto as Exhibit B. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 8. The City Notes hereby authorized shall be executed as in this ordinance and the Revised Redevelopment Agreement provided as soon after the passage hereof as may be practicable and consistent with the terms of the Revised Redevelopment Agreement, and thereupon, said City Notes shall be deposited with the Commissioner, and delivered by the Commissioner to the Developer.

SECTION 9. Pursuant to the TIF Ordinance, the City created a special tax increment fund (the "Fund"). The Authorized Officer is hereby directed to maintain the Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank that is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all incremental taxes received by the City for the Area are to be deposited into the Fund.

There is hereby created within the Fund a special subaccount to be known as the "Pulaski Promenade Project Account" (the "Project Account"). The City shall designate and deposit into the Project Account the Available Incremental Taxes from the Project Permanent Index Numbers and the Available Incremental Taxes from Transfer Rights (as both phrases are defined in the Revised Redevelopment Agreement) (collectively, the "Available Incremental Taxes"). The City hereby assigns, pledges and dedicates the Project Account, together with all amounts on deposit therein, to the payment of the principal of and interest, if any, on the City Notes when due under the terms of the Revised Redevelopment Agreement and in accordance with the debt service schedules attached to the City Notes. Upon deposit, the moneys on deposit in the Project Account

may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Project Account. All moneys on deposit in the Project Account shall be used to pay the principal of and interest on the City Notes, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of such notes, which payments from the Project Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the City Notes and the Revised Redevelopment Agreement in accordance with their terms, the amounts on deposit in the Project Account, as applicable, shall be deposited in the Fund of the City and the Project Account shall be closed.

Notwithstanding any of the foregoing, payments on the City Notes will be subject to the availability of Available Incremental Taxes in the Project Account.

The priority of all payments made under the City Notes shall be as set forth in the Revised Redevelopment Agreement.

SECTION 10. The City Notes are special limited obligations of the City. The City Notes are payable solely from Available Incremental Taxes from the Project Permanent Index Numbers, and shall be a valid claim of the registered owners thereof only against said sources. The City Notes shall not be deemed to constitute an indebtedness of or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the City Notes shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Notes.

SECTION 11. Monies on deposit in the Fund or the Project Account, as the case may be, may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "Municipal Code"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Notes.

SECTION 12. Pursuant to the Revised Redevelopment Agreement, the Developer shall complete the Project. The eligible redevelopment project costs of the Project constituting TIF-Eligible Improvements, up to the maximum aggregate principal amount of \$6,935,395, when evidenced by one or more Certificates of Completion, shall be deemed to be a disbursement of the proceeds of the City Notes. Upon issuance, the City Notes shall have in the aggregate an initial principal balance equal to the Developer's prior expenditures for TIF-Eligible Improvements up to a maximum amount of \$6,935,395, as evidenced by Certificates of Completion delivered in accordance with the Revised Redevelopment Agreement, and subject to the reductions described in the Revised Redevelopment Agreement. After issuance, the principal amount outstanding under the City Notes shall be the initial principal balance of the City Notes, minus any principal amount and interest paid on the City Notes and other reductions in principal as provided in the Revised Redevelopment Agreement.

SECTION 13. The Registrar shall maintain a list of the names and address of the registered owners from time to time of the City Notes and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

SECTION 14. The tax-exempt City Note is not a "private activity bond" as defined in Section 141(a) of the Internal Revenue Code of 1986, as amended (the "Code"). In support of such conclusion, the City certifies, represents and covenants as follows:

(a) No direct or indirect payments are to be made on the tax-exempt City Note with respect to any private business use by any person other than a state or local governmental unit; and

(b) None of the proceeds of the tax-exempt City Note is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

SECTION 15. As to the tax-exempt City Note only, the City certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code, relating to the rebate of "excess arbitrage profits" (the "Rebate Requirement") to the United States:

(a) Unless an applicable exception to the Rebate Requirement is available to the City, the City will meet the Rebate Requirement.

(b) Relating to applicable exceptions, the Authorized Officer is hereby authorized to make such elections under the Code as such officer shall deem reasonable and in the best interests of the City. If such election may result in a "penalty in lieu of rebate" as provided in the Code, and such penalty is incurred (the "Penalty"), then the City shall pay such Penalty.

(c) The officers of the City shall cause to be established, at such time and in such manner as they may deem necessary or appropriate hereunder, a rebate fund, and such officers shall further, not less frequently than annually, cause to be transferred to the rebate fund the amount determined to be the accrued liability under the Rebate Requirement or the Penalty. Said officers shall cause to be paid to the United States, from time to time as required, amounts from the rebate fund sufficient to meet the Rebate Requirement or to pay the Penalty.

(d) Interest earnings in the Project Account are hereby authorized to be transferred, without further order or direction from the Authorized Officer, from time to time as required, to the rebate fund for the purposes herein provided, and other funds of the City are also hereby authorized to be used to meet the Rebate Requirement or to pay the Penalty, but only if necessary after application of investment earnings as aforesaid and only if appropriated by the City Council.

SECTION 16. The City covenants that it: (i) will take those actions which are necessary to be taken (and avoid those actions which it is necessary to avoid taking) so that interest on the tax-exempt City Note will not be or become included in gross income for federal income tax purposes under existing law including, without limitation, the Code; (ii) will take those actions reasonably within its power to take which are necessary to be taken (and avoid taking those actions which are reasonably within its power to avoid taking and which it is necessary to avoid) so that interest on the tax-exempt City Note will not be or become included in gross income for federal income tax purposes under the federal income tax

laws as in effect from time to time; and (iii) will take no action or permit any action in the investment of any fund or account of the City which would result in making interest on the tax-exempt City Note subject to federal income taxes by reason of causing the tax-exempt City Note to be "arbitrage bonds" within the meaning of Section 148 of the Code. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, certifications and representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the tax-exempt City Note; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

SECTION 17. The City recognizes that Section 149(a) of the Code requires the tax-exempt City Note to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the tax-exempt City Note is delivered. In this connection, the City agrees that it will not take any action to permit the tax-exempt City Note to be issued in, or converted into, bearer or coupon form.

SECTION 18. The provisions of this ordinance shall constitute a contract between the City and the registered owners of the City Note. All covenants relating to the City Note are enforceable by the registered owners of the City Note.

SECTION 19. In addition to the tax increment allocation revenue obligations authorized in this ordinance, the City Council hereby also finds that the City is authorized to pay the Developer one or more direct payments (the "Direct Payments") in an aggregate amount not to exceed \$1,000,000 from the sources and in the manner set forth in the Revised Redevelopment Agreement. The aggregate amount of all City Notes and all Direct Payments, combined, shall not exceed \$7,935,395.

SECTION 20. The Mayor, the Authorized Officer, the City Clerk or any Deputy Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this ordinance.

SECTION 21. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 22. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 23. This ordinance shall be in full force and effect immediately upon its passage and approval.

Exhibits "A", "B" and "C" referred to in this ordinance read as follows:

*Exhibit "A".*

Lender Financing	\$23,404,000
ESTIMATED TOTAL	\$32,977,721

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs and costs of TIF-Eligible Improvements.

#### 4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Eligible Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Eligible Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. City Funds shall not be paid to the Developer hereunder prior to the issuance of a Certificate.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to pay City funds ("City Funds") from the sources and in the amounts described directly below to pay for or reimburse the Developer for the costs of the TIF-Eligible Improvements. In particular, the City agrees (i) to make a single City Funds Direct Payment directly to the Developer, and (ii) to issue not to exceed two City Notes to the Developer.

Sources of City Funds	Maximum Amount
Available Incremental Taxes from Transfer Rights	Not to exceed \$1,000,000 in a City Funds Direct Payment
Available Incremental Taxes from the Project PINs	Not to exceed \$5,548,316 in a Tax-Exempt City Note A, plus interest that accrues on said note, plus  Not to exceed \$1,387,079 in a Taxable City Note B, except as provided in Section 4.03(c)

provided, however, that the total amount of City Funds expended for TIF-Eligible Improvements shall be an amount not to exceed the lesser of \$7,935,395 or, if the Developer should realize actual Project costs that are less than the Project Budget set forth above, then the City Funds Direct Payment (and, therefore, the Maximum Amount of City Funds) will be reduced by \$0.75 for every \$1.00 the actual Project comes in below said figure; and provided further, however, that the City Funds Direct Payment (and, therefore, the Maximum Amount of City Funds) shall be permanently reduced by an aggregate amount not to exceed \$1,000,000 in the sole discretion of DPD if the

Developer fails to achieve LEED Certification as set forth in Section 7.01(a) herein; and provided further, however, that if the City Funds Direct Payment is thus reduced to \$0, any further reductions in Maximum Amount of City Funds shall be taken from the principal value of Taxable City Note B.

The City shall use its Transfer Rights as follows:

transfer an amount not to exceed \$ 1,000,000 of Midway Incremental Taxes into the Stevenson/Brighton TIF Fund, sufficient to fund the City Funds Direct Payment.

(c) Issuance of the City Funds Direct Payment and the Notes. Within 45 days after the date of the Certificate, the City shall:

(i) pay the Developer an amount of City Funds not to exceed \$1,000,000 (the "City Funds Direct Payment"), solely from Available Incremental Taxes from Transfer Rights; and

(ii) issue to the Developer the Tax-Exempt City Note A, superior in lien to Taxable City Note B; and

(iii) issue to the Developer the Taxable City Note B, subordinate in lien to Tax-Exempt City Note A; and

(iv) provided, however, and notwithstanding any other provision of this Agreement to the contrary, if for any reason Developer seeks any reduction in the face value of Tax-Exempt City Note A from the amount set forth in sub-Section 4.03(c)(ii") above, then the City shall simultaneously issue both a reduced Tax-Exempt City Note A and correspondingly increased Taxable City Note B.

(d) Consent to Assignment. The City hereby consents to Developer's assignment of Tax-Exempt City Note A and the right to receive the City Funds Direct Payment to Associated Bank on a collateral basis. The City also agrees that, prior to the Developer's sale, if any, of Tax-Exempt City Note A, any City Funds that are due to be paid on it from time to time pursuant to this Agreement shall, if so directed by the Developer, be paid for the Developer's benefit in accordance with Developer's wire instructions.

(e) Hierarchy of Payments. During any year in which a payment of City Funds of any kind (not including the City Funds Direct Payment) is due by the City under this Agreement, the first claim on City Funds (solely from Available Incremental Taxes from the Project PINs) will be for any payments of then-due interest and principal on Tax-Exempt City Note A; the second (subordinate) claim will be for any payments of then-due interest and principal on Taxable City Note B.

(f) Interest; Payment Obligations. Interest on both Notes, as well as the City's obligation to begin making payments on them, shall commence on the date of their issuance. The City's obligation to pay principal or interest on the Notes ceases not later than the Term of the Agreement date.

The parties agree that any debt service or payment schedule used in connection with any Note issued in connection with this Agreement, or any payment based thereon, will be made only to the extent that Available Incremental Taxes from the Project PINs are sufficient.

The pro forma payment schedule for Tax-Exempt City Note A shall be affixed thereto at the time of its issuance. There shall be no payment schedule for Taxable City Note B.

Payments on Taxable City Note B will be made once annually on May 1st of the year following timely receipt by the City of annual payment requests and other required annual reports. Interest cannot accrue on any unpaid note interest.

(g) TIF Bonds. The City may elect, through TIF Bonds or any other means available to the City, to pay off either of the notes.

4.04 Requisition Form. Once the Notes have been issued, and prior to each October 1 (or such other date as the parties may agree to) thereafter, and continuing throughout the earlier of (i) the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide DPD a Requisition Form not more than once per year, along with the documentation described therein. On each December 1 (or such other date as may be acceptable to the parties) after the submittal of Requisition Forms, and continuing throughout the Term of the Agreement, the Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered.

This Section 4.04 does not apply to any Note holder that is not the Developer.

4.05 Prior Expenditures; City Fee; Allocation Among Line Items.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Eligible Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to Section 4.01 hereof.

(b) City Fee, [intentionally omitted]

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Eligible Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$50,000 or \$200,000 in the aggregate, may be made without the prior written consent of DPD. In the event that DPD has not approved or disapproved a written request from the Developer for a line item transfer within 30 days after receiving such request, said request shall be deemed approved by DPD as of said latter date.

4.06 Cost Overruns. If the aggregate cost of the TIF-Eligible Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Eligible Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Execution of Certificate of Expenditure. Prior to each execution of a Certificate of Expenditure by the City, the Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request, that:

- (a) the total amount of the request for Certificate of Expenditure represents a TIF-Eligible portion of the actual cost of the Acquisition or the actual amount paid by the Developer to the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;
- (b) all amounts shown as previous payments on the current request for Certificate of Expenditure have been paid to the parties entitled to such payment;
- (c) the Developer has approved all work and materials for the current request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;
- (d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;
- (e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens; and

(f) no Event of Default or, to the best of Developer's knowledge, condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions of execution of a Certificate of Expenditure, including but not limited to requirements set forth in the TIF Bonds, if any, and this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement.

4.09 Cost of Issuance. The Developer shall be responsible for paying all costs relating to the issuance of the City Notes, including costs relating to the opinion described in Section 5.09 hereof.

5.15 Litigation. The Developer has provided to Corporation Counsel and DPD, a description of all pending or, to the best of Developer's knowledge, threatened litigation or admini

proceedings involving the Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

5.16 Leases. The Developer has provided DPD with current copies of the leases entered into with any tenants of the Entire Facility.

5.17 Developer's Conditions Precedent to Closing; Deadline. The following are conditions precedent to the Developer's obligation to close this transaction:

- A. The Condition set forth in Section 5.03 above has been met; and
- B. The City has petitioned Cook County for a new tax code for the Property PINs as set forth on Exhibit B;

provided, however, that the Closing Date must occur not later than 60 days after the later to occur of A or B hereinabove.

## SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors, (a) The parties agree that the Developer has already selected a General Contractor for the construction of the Entire Facility.

For the TIF-Eligible Improvements, the Developer shall cause the General Contractor to select the subcontractor submitting the lowest responsible bid who can complete the Project in a timely manner. If the General Contractor selects any subcontractor submitting other than the lowest responsible bid for the TIF-Eligible Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds.

The Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Eligible Improvements shall be provided to DPD within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

- (b) If the Developer does not cause the General Contractor to solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to DPD a copy of each proposed contract with each contractor selected to handle the Project in accordance with Section 6.01 above. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit P hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Eligible Improvements shall be provided to DPD within five (5) business days of the execution thereof.

## SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction. Upon Developer's satisfactory completion of the following:

The Developer has completed construction of the Entire Facility, including the Permeable Paving; and

The Entire Facility has been built in accordance with the specifications set forth in PD #1198; and

The City has issued a Certificate of Occupancy for the Main Facility; and

The Developer has filed with DPD a notarized final Owner's or General Contractor's Sworn Statement concerning the construction of the Entire Facility; and

A minimum of 75% of the square footage of the Main Facility is fully operational and is open for business; and

A minimum of 80% of the completed commercial square footage of the Main Facility has been leased and occupied; and

The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City Requirements (M/WBE, City Residency, and Prevailing Wage), as provided in the Redevelopment Agreement; and

The Developer has registered the Project for, and is in the process of, receiving LEED Certification with respect to the Main Facility, and has provided an affirmation to DPD from its architect concerning the likelihood that LEED Certification will eventually be achieved; provided, however, that if the City determines prior to issuing the Certificate that the Main Facility is unlikely to achieve LEED Certification, then the total amount of City Funds shall be reduced by no more than \$1,000,000, as described in Section 4.03(b) hereof;

The Developer has submitted adequate documentation of Project costs for the Entire Facility to DPD; and

Developer has provided evidence, to the City's satisfaction, of its having incurred and paid for the TIF-Eligible Improvements; and upon the Developer's written request, DPD shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project and, upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06 and 8.23 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that (a) upon the issuance of a Certificate, the covenant set forth in Section 8.02 shall be deemed to have been

fulfilled; (b) upon the expiration of the Compliance Period, the covenant set forth in Section 8.06 shall be deemed to have been fulfilled; and (c) upon delivery of evidence of LEED certification, the covenant set forth in Section 8.23 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Entire Facility in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

- (a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto except for disbursements under Tax-Exempt City Note A; and
- (b) the right (but not the obligation) to complete those TIF-Eligible Improvements that are public improvements and to pay for the costs of such TIF-Eligible Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Eligible Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Eligible Improvements in excess of the available City Funds.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

#### SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

- (a) the Developer is an Delaware limited liability corporation duly organized, validly existing, qualified to do business in its state of organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;
- (b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its Articles of Organization or operating agreement, as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and nongovernmental charges that the Developer is contesting in good faith pursuant to Section 8.15 hereof);

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, affecting or, to the best of Developer's knowledge, threatened against the Developer that would impair its ability to perform under this Agreement;

(g) the Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate, and, thereafter for the entire Compliance Period (as defined in Section 8.22 hereof), the Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) (not including Outlots E or G) except in the ordinary course of

business, provided, however, that the City hereby acknowledges that all of the Property may be sold, transferred, conveyed or otherwise disposed of to Inland Pulaski Promenade, L.L.C. or Inland Real Estate Corporation (collectively, "Inland") or, following DPD's written approval of an Economic Disclosure Statement, to an entity wholly owned by Inland. City approval of such disposal will be predicated on the new ownership entity's ability to demonstrate the financial capacity together with the experience needed to effectively operate and manage a large retail development and that entity agrees to assume all surviving responsibilities and covenants applicable to the Developer; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City;

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) on the date of issuance of the Tax-Exempt City Note A, the Developer will provide the City an opinion from Foley and Lardner LLP, special counsel, regarding the tax-exempt status and enforceability of said Note, in form and substance acceptable to Corporation Counsel.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the Stevenson/Brighton TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Eligible Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Stevenson/Brighton Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Eligible Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Job Creation and Retention. The Project is expected to generate approximately 182 construction jobs over the 12-month construction period. Developer estimates that, at the time of Project completion and occupancy of the Main Facility by tenants, approximately 244 permanent jobs will have been created in tenant operations, equaling approximately 73 full time equivalent (35 hours/week, 50 weeks/year) jobs, provided however, that in no event will failure by tenants to meet this covenant be considered an Event of Default by the Developer under Section 15 below.

As set forth in more detail in Section 5.12, above, the Developer and its General Contractor will be required to meet with the Workforce Division of DPD to discuss the types of job opportunities available. In addition, the Developer will use its best efforts to mandate that each initial tenant of the Entire Facility meet with the Workforce Division and participate in the jobs referral program.

For the Compliance Period, the Developer will use best efforts to gather employment numbers of the tenants and owners of the Entire Facility and provide same to DPD in annual employment reports.

The covenants set forth in this Section shall run with the land and be binding upon any transferee.

8.07 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the applicable prevailing wage rates (and related back wages and penalties, if any), as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Eligible Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11 -74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Stevenson/Brighton Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Stevenson/Brighton Redevelopment Area.

8.12 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. The Developer shall obtain and provide to DPD Financial Statements for the Developer's fiscal year ended 2013 and each fiscal year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges, (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the closing date of the Acquisition in the conveyance and real property records of the county in which the Project is located. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

#### 8.19 Real Estate Provisions.

##### (a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create or may create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. No provision of this Agreement will require the payment of Governmental Charges in a manner different than is generally applicable.

The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(A) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(B) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD each Annual Compliance Report not later than February 1st of the subsequent calendar year. Failure by the Developer to submit the Annual Compliance Report before February 15th of a relevant year shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof.

8.22 Minimum Leasable Area Occupancy; Dark Days Provisions. The Developer hereby covenants to maintain a minimum occupancy of 75 percent of the net leasable area (the "Net Leasable Area Requirement") of the Main Facility for 10 years from the date of the Certificate (the "Compliance Period"). The City may rely on Developer's occupancy reports or, in its sole discretion, may undertake any audit or other method for obtaining occupancy figures from time to time.

In the first year that the Developer is out of compliance with the Net Leasable Area Requirement during the Compliance Period, the City shall (i) suspend all payment of Taxable City Note B for that year, (ii) suspend the accrual of interest for that year on the principal balance of Taxable City Note B, and (iii) extend the Compliance Period by one additional year.

In any second (but non-consecutive) year that the Developer is out of compliance with the Net Leasable Area Requirement during the Compliance Period, the City shall (i) suspend all payment of Taxable City Note B for that year, (ii) suspend the accrual of interest for that year on the principal balance of Taxable City Note B, and (iii) extend the Compliance Period by one additional year.

Developer hereby agrees that any additional non-compliance, or any consecutive years of non-compliance, under the Net Leasable Area Requirement, is a general Event of Default, and the City may exercise any remedies for same.

8.23 Evidence of LEED Certification. The Developer shall comply with the following requirements with respect to the Project:

Within two years after the Certificate is issued, the Developer shall provide evidence acceptable to the City that LEED Certification has been obtained for the Main Facility.

DPD also strongly encourages the use of stormwater "best management practices" such as natural landscaping, permeable paving, drainage swales, and naturalized retention basins, which limit the amount of stormwater entering our combined sewer system. A guide to stormwater best management practices can be obtained from DPD in Room 1101 City Hall or can be downloaded from the Chicago Center for Green Technology website.

The covenant set forth in this Section 8.23 shall run with the land and shall be binding upon any transferee throughout the Term of the Agreement.

8.24 Planned Development Covenant. The Developer shall comply with the terms and conditions of PD #1198, including its prohibited uses conditions, for the Term of this Agreement.

8.25 Recapture Provisions. The Developer hereby covenants that if, within the five-year period beginning on the date of the Certificate (the "Capital Event Period"), it sells or conveys all or any portion of the Main Facility or all or any portion of the limited liability interests comprising the Developer entity (each, a "Capital Event"), then, upon each such occurrence of a Capital Event during the Capital Event Period, the Developer shall, within 30 days after each such Capital Event, pay and remit to the City an amount ("TIF Recapture Amount") equal to the sum of:

- (i) 5% of the Net Profits at or above 9.5% and less than 11% that the Developer realizes from the Capital Event, plus
- (ii) 10% of the Net Profits at or above 11 % that the Developer realizes from the Capital Event,

provided, however, that the total TIF Recapture Amount shall not exceed an amount that would cause the Tax-Exempt City Note A not to be qualified under the private payment test under Section 141 of the Internal Revenue Code.

For purposes of this Agreement, "Net Profits" means the amount received by the seller of (x) the net proceeds of the Capital Event (whether or not set forth on a settlement statement prepared in connection with such Capital Event), minus (y) the seller's portion of the total capital investment in the Main Facility, as such portion is allocated by the Developer's operating agreement.

Any TIF Recapture Amount received by the City shall be deposited into a separate account within the Stevenson/Brighton TIF Fund and shall be used for Redevelopment Project Costs; provided, however, such amounts shall not be used directly or indirectly for repayment of Tax-Exempt City Note A.

In no event shall any such TIF Recapture Amount be paid to the City any later than any concurrent payment which is to be made on a pari passu basis to the Developer.

The provisions of this Section 8.25 shall not be binding on any transferee who takes title to the Property from a Lender (or its nominee) which has exercised its remedies pursuant to a mortgage or other financing documents.

## SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Covenant to Petition for New Tax Code. The City covenants that, within 60 days following enactment and approval of the ordinance authorizing this Agreement, it will petition Cook County for a new tax code for the Property PINs as set forth on Exhibit B.

9.03 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

## SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq.. Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Stevenson/Brighton Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Stevenson/Brighton Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

**10.02 City Resident Construction Worker Employment Requirement.** The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were

employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.

(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain or cause to be maintained records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

## SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

The Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

### SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnities") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnities in connection with any investigative, administrative or judicial

proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

- (i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or
- (ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Eligible Improvements or any other Project improvement; or
- (iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or
- (iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnatee arising from the wanton or willful misconduct of that Indemnatee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

#### SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City shall have access to all portions of the Project and the Property during normal business hours for the Term of the Agreement for the purpose of confirming the Developer's compliance with the Agreement.

#### SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

- (a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;
- (b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;
- (c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;
- (d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;
- (e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;
- (f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however,

that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor);

(j) except as set forth in Section 8.0 l(j) hereof, the sale or transfer of the ownership interests of the Developer without the prior written consent of the City prior to the expiration of the Compliance Period;

(k) non-compliance as set forth in the last paragraph of Section 8.22 hereof with respect to the Net Leasable Area Requirement; or

(l) the Developer has not delivered evidence satisfactory to the City of LEED Certification within the time period specified in Section 8.23 hereof.

For purposes of Section 15.01(i) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of the Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer are or shall be parties, suspend disbursement of City Funds, and seek reimbursement of any City Funds paid by the City on Taxable City Note B or on the City Fund Direct Payment; provided, however, that the City will not suspend payment or seek reimbursement of any principal or interest due and owing under Tax-Exempt City Note A, once issued. It is further agreed that the City's obligation to make payments under Tax-Exempt City Note A shall survive termination of this Agreement in accordance with the terms of this Agreement as if this Agreement were in effect. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

Upon the occurrence of an Event of Default because of failure to comply with Section 8.23, LEED Certification, the City's sole remedy shall be the right to seek reimbursement of \$1,000,000 of City Funds from any combination of the City Funds Direct Payment and Taxable City Note B, unless the City Funds paid upon Certificate issuance were already reduced by \$1,000,000 due to anticipated failure to achieve LEED Certification as described in Section 7.01. If the City reduces the City Funds paid as described in the preceding sentence, the City shall have no other remedy for the Developer's failure to achieve LEED Certification.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; and provided, further, that there shall be no cure period with respect to the filing of the Annual Compliance Report pursuant to Section 8.21 hereof

15.04. Right to Cure by Lender. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation or reduction of the amount of City Funds disbursed hereunder, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Lender and the Lender shall have the right (but not the obligation) to cure such Event of Default as follows:

- (a) if the Event of Default is a monetary default, the Lender may cure such default within 30 days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (ii) receipt by the Lender of such notice from the City; and
- (b) if any Event of Default is of a non-monetary nature, the Lender shall have the right to cure such default within 30 days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (ii) receipt by the Lender of such notice from the City.

## SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." (b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD except a New Mortgage undertaken for permanent financing purposes and obtained from a commercial or institutional lender.

It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. *Opinion Of Developer's Counsel.*

[To Be Retyped On The Developer's Counsel's Letterhead]

\_\_\_\_\_, \_\_\_\_\_  
City of Chicago  
121 North LaSalle Street  
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to \_\_\_\_\_, an [Illinois] \_\_\_\_\_  
(the "Developer"), in connection with the purchase of certain land and the construction of  
certain facilities thereon located in the \_\_\_\_\_ Redevelopment  
Project Area (the "Project"). In that capacity, we have examined, among other things, the  
following agreements, instruments and documents of even date herewith, hereinafter referred  
to as the "Documents":

(a) \_\_\_\_\_ Redevelopment Agreement (the "Agreement") of even date  
herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the  
City;]

(c) [insert other documents including but not limited to documents related to purchase  
and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the  
foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles  
of Incorporation, as amended to date, (ii) qualifications to do business and certificates of  
good standing in all states in which the Developer is qualified to do business, (iii) Bylaws,  
as amended to date, and (iv) records of all corporate proceedings relating to the Project  
[revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and

rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 1600 North Milwaukee Ventures LLC, a Delaware limited liability company (the "Owner"), is the owner of the historic building known as The Northwest Tower (the "Building") located at 1606 -- 1608 North Milwaukee Avenue in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, The City Council of the City (the "City Council") adopted an ordinance on April 9, 2008 designating the Milwaukee Avenue District as a Chicago Landmark pursuant to the criteria established in Section 2-120-580, et seq. of the Municipal Code of Chicago, and the Building is considered a contributing building to that district; such designation as a Chicago landmark meets the definition of a "contributing" building within a landmark district pursuant to the Classification Ordinance; and

WHEREAS, The Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, It is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, The Owner anticipates using the Building for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, The Owner intends to apply to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the

unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, The City is a certified local government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, On March 6, 2014, the Landmarks Commission issued a written recommendation of the Project to the City Council recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The Project Real Estate shall have been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, The Department of Planning and Development of the City ("DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion

of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by October 31, 2015. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project including such other terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work and budget delineated on (Sub) Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer).

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Landmarks Commission shall verify that the work performed substantially

conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change prior to the Final Determination in the direct owners in excess of 7.5 percent of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. Section 2-120-815 of the Municipal Code of Chicago is hereby amended by inserting the language underscored, as follows: "Permit fee waivers. Notwithstanding any other provision of this Code to the contrary, the city council shall, by the passage of an appropriate order, waive any fees charged by the City of Chicago for the issuance of any permit for which approval of the commission is required pursuant to this chapter, provided, however, that this section shall not apply to any permit to be issued in connection with a property that has been classified for tax purposes as a Class L property pursuant to the Cook County Real Property Assessment Classification Ordinance."

SECTION 12. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 13. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 14. This ordinance shall be effective from and after its passage and approval.

*To the President and Members of the City Council:*

Your Committee on the Budget and Government Operations, having had under consideration an ordinance authorizing an amendment to Chapter 2-92 of the Municipal Code of Chicago necessary to provide incentives for Small Business Enterprise and Veteran-Owned Business Enterprise Joint Ventures, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) CARRIE M. AUSTIN,  
*Chairman.*

On motion of Alderman Austin, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Fioretti, Dowell, Burns, Hairston, Sawyer, Holmes, Harris, Beale, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, Lane, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Chandler, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Sposato, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 48.

*Nays* -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Article III of Chapter 2-92 of the Municipal Code of Chicago is hereby amended by adding new Sections 2-92-417 and 2-92-418, as follows:

2-92-417 Bid Incentives -- MBE/WBE Requirements.

Unless otherwise prohibited by any federal, state or local law, any contract awarded based upon an allocation of a bid incentive authorized pursuant to this Article III shall be subject to the MBE and WBE participation provisions set forth in Articles IV and VI of this chapter. For purposes of this section "MBE" and "WBE" have the meanings ascribed to those terms in Section 2-92-420.

2-92-418 ~~Reserved:~~ Contracts -- Bid Incentive For Small Business Enterprise And Veteran-Owned Business Enterprise Joint Ventures.

(a) For purposes of this section only, the following definitions apply:

"Bid incentive" means an amount deducted, for bid evaluation purposes only, from the contract base bid in order to calculate the bid price to be used to evaluate the bid on a competitively bid contract.

"Construction project" has the same meaning ascribed to that term in Section 2-92-335.

"Contract" means any contract, purchase order, construction project, or other agreement (other than a delegate agency contract or lease of real property or collective bargaining agreement) awarded by the city and whose cost is to be paid from funds belonging to or administered by the city.

"Contract base bid" means the total dollar amount a contractor bids on a contract without factoring any bid incentive or percentage reductions to the bid amount.

"Eligible joint venture" means an association of one or more small business enterprises in combination with one or more veteran-owned business enterprises, proposing to perform as a single for-profit business enterprise, in which each joint venture partner contributes property, capital, efforts, skill and knowledge. Joint ventures must have an agreement in writing specifying the terms and conditions of the relationship between the partners and their respective roles in the contract.

"Small business enterprise" and "Owned" have the meanings ascribed to those terms in Section 2-92-670.

"Veteran-owned business enterprise" means an enterprise which: (1) is at least 51 percent owned by one or more veterans, or in the case of a publicly held corporation, at least 51 percent of all classes of the stock of which is owned by one or more veterans, whose management, policies, major decisions and daily business operations are independently managed and controlled by one or more veterans; or (2) has been certified by the State of Illinois as a qualified service-disabled veteran-owned small business or a qualified veteran-owned small business pursuant to 30 ILCS 500/45-57.

"Veteran" means a person who has served in the United States armed forces and was discharged or separated under honorable conditions.

(b) (1) Unless otherwise prohibited by any federal, state or local law, for any contract advertised, or if not advertised awarded, after the effective date of this section, the chief procurement officer shall allocate a bid incentive of 5 percent of the contract base price to a qualified bidder when the qualified bidder is an eligible joint venture.

The bid incentive is used only to calculate an amount to be used in evaluating the bid to determine the low bidder, and it does not affect the contract price.

(2) The chief procurement officer may forego awarding the bid incentive under this section, under the following conditions:

(i) an emergency exists;

(ii) for cooperative purchasing or cooperative construction contracts;

(iii) where an eligible joint venture is determined by the chief procurement officer to be unqualified, unable, or ineligible to perform the contract; or

(iv) for any other factor the chief procurement officer deems to be in the city's best interest.

(3) For all contracts advertised after the effective date of this section, the chief procurement officer shall include the bid incentive provision consistent with this section in all such advertising.

(4) As a condition of being awarded the bid incentive, the eligible joint venture shall continue to meet the definition of an eligible joint venture during the term of the contract for which the bid incentive was awarded.

(c) The contractor shall maintain adequate records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement officer. Full access to the contractor's and subcontractors' records shall be granted to the chief procurement officer, the commissioner of the supervising department, the inspector general, or any duly authorized representative thereof. The contractor and subcontractors shall maintain all relevant records for a minimum of seven years after final acceptance of the work.

(d) A bidder desiring to receive an incentive pursuant to this section shall include with its bid submission, an affidavit and other supporting documents demonstrating that the bidder satisfies all pertinent requirements as an eligible joint venture.

(e) Upon completion of the work, any eligible joint venture that receives a bid preference but that fails to meet the definition as an eligible joint venture during the term of the contract for which the bid incentive was awarded shall be fined in an amount equal to three times the amount of the bid incentive awarded.

(f) The chief procurement officer is authorized to adopt, promulgate and enforce reasonable rules and regulations pertaining to the administration and enforcement of this section.

(g) This section shall not apply to any contract to the extent that the requirements imposed by this section are inconsistent with procedures or standards required by any law or regulation of the United States or the State of Illinois to the extent such inconsistency is not permitted under law or the home rule powers of the city.

SECTION 2. This ordinance shall take effect upon its passage and approval.

SECTION 1. Chapter 2-159 of the Municipal Code of Chicago is hereby amended by adding the language underscored and by deleting the language struck through, as follows:

2-159-030 Definitions.

For purposes of this chapter:

~~"Adjacent neighbor" means a person who owns and occupies as such person's primary residence an improved parcel of real property immediately adjacent to a city-owned parcel of vacant property, and who is not delinquent in the payment of any property taxes or any debt owed to the City of Chicago, County of Cook or State of Illinois.~~

(ii) is not delinquent in the payment of any property taxes or any debt owed to the City, County of Cook or State of Illinois.

"ANLAP" means the Adjacent Neighbors Land Acquisition Program.

~~"City" means the City of Chicago.~~

"Department" means the department of planning and development.

"City-owned Parcel" means a one parcel of vacant real property, consisting of a single permanent tax identification number, which (a) is immediately adjacent to and is bounded on at least one side by a parcel owned by an adjacent neighbor ~~an owner-occupied improved parcel of residential real property~~, and (b) which has a fair market value of not more than \$50,000.00 as determined by the department.

#### 2-159-040 List Of City-Owned Real Estate -- Required.

The department shall prepare and maintain a list of city-owned real estate which shall include those city-owned parcels available for sale under ANLAP. This list shall be made available to the public during normal business hours.

#### 2-159-050 Minimum Purchase Price Required -- Sale Procedures.

The minimum purchase price of any city-owned parcel sold pursuant to the provisions of this chapter shall be \$1,000 for a parcel appraised at \$10,000 or less, \$2,000 for a parcel appraised at more than \$10,000 and less than or equal to \$20,000, and for parcels having an appraised value of more than \$20,000.00, an amount equal to the sum (a) \$2,000, plus (b) fifty percent (50%) of the amount by which the parcel's appraised fair market value exceeds \$20,000, up to the \$50,000 maximum fair market value limitation. For illustrative purposes, if a city-owned parcel has an appraised fair market value of \$40,000, then the minimum purchase price for such parcel would be \$12,000. An adjacent neighbor shall not be permitted to purchase more than one city-owned parcel (~~consisting of a single permanent tax identification number~~) through ANLAP. **NOW THEREFORE**, in consideration of the covenants, terms, and conditions set forth herein, the parties hereto agree and covenant as follows:

## SECTION 1. GRANT

Subject to and in accordance with the terms and conditions of this IGA, City hereby grants to the University a license to use and occupy the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 6,800 square feet of space on the first floor of the Englewood Neighborhood Health Clinic and use of and access to an adjoining parking lot all located at 641 West 63rd Street, Chicago, Illinois (part of PINs 20-21-102-009; -010; -017; 020; and -025).

## SECTION 2. TERM

2.1 Term. The term of this IGA (the "**Term**") shall begin on July 1, 2014 (the "**Commencement Date**") and shall terminate on December 31, 2019, unless sooner terminated as set forth in this IGA.

## SECTION 3. RENT, OPERATING COSTS, TAXES, AND UTILITIES

3.1 License Fee. University shall pay a license fee for the Premises in the amount of:

One Dollar (\$1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Operating Costs. University shall reimburse City's Operating Costs (as hereinafter defined) for access to the Premises pursuant to Section 3.2.a below as reimbursement for City's costs to operate the Building and the Premises, but not as rent and not as profit.

a. Calculation of Operating Costs. University shall pay to City Operating Costs incurred by City with regards to University's "**Proportionate Use**" of the Building. This Proportionate Use shall be based on the square footage of the Premises divided by the Building's total square footage. The Building's total square footage is approximately 54,189 square feet and the Premises are approximately 6,800 square feet, which comprises 12.5 % of the Building's total square footage. "**Operating Costs**" shall be based on University's 12.5 % Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) landscaping and snow removal, (iii) City engineering services, and (iv) University's allocable share of other costs incurred by City in operating and maintaining the Building (excluding any capital improvements that may be required). University shall separately contract for custodial services to the Premises. For 2014, University's Operating Costs are estimated to be, and University shall initially pay, \$1,761.72 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs for 2014 and/or subsequent years).

b. Reimbursement Procedure. Each calendar year as soon as City can secure data for the prior year's Operating Costs, City shall provide University with the estimate of the annual

Operating Costs for such year. University shall pay to City one-twelfth (1/12) of such amount in equal monthly installments. The estimated monthly Operating Costs for 2014 are set forth in Exhibit D. Once full data becomes available, City shall provide University with the actual Operating Costs for the previous year and a statement as to whether University has underpaid or overpaid said Operating Costs. In the event University's payments during the previous year are less than the actual Operating Costs due from University, such underpayment shall be included in University's subsequent monthly installment(s) of Operating Costs spread out for the remainder of the year, or, if said underpayment shall have been made in the last year of the Term, University shall provide said underpayment to City within sixty (60) days. If University's installments during the previous year are more than the actual Operating Costs due from University, City shall credit said amount against University's subsequent monthly installment(s) of Operating Costs for the remainder of the year, or, if said overpayment shall have been made in the last year of the Term, City shall refund said overpayment to University within sixty (60) days. Within thirty (30) days of City's receipt of University's written request, City shall provide University with copies of the most current invoices for the services included in the Operating Costs. Notwithstanding the foregoing, University acknowledges that City is a large municipal entity, that some of University's records are stored off-site, and that while City shall make reasonable efforts to provide University with copies of requested documentation some documentation may not be available within thirty (30) days.

Operating Expenses shall be made payable to the "City of Chicago, Department of Finance" and paid to City at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as City may from time to time, hereby designate in writing to University. City shall invoice University for such Operating Expenses on a monthly basis. In the event that University does not receive such invoice from City, University shall contact City and request such invoicing. City's failure to invoice University for Operating Expenses or other expenses incurred under this IGA does not constitute a waiver of any such charges.

3.3 Utilities. City shall pay for gas, electricity, and water supplied to the Building. University shall pay when due all charges for telephone or other communication service provided to the Premises. In the event that University uses the City's telephone lines, such costs shall be a reimbursable Operating Cost.

3.4 Taxes. In the event that Leasehold taxes are ever assessed against the Premises as a result of University's tenancy, if and only to the extent required by applicable law, University shall pay when due any leasehold taxes assessed or levied on University's portion of the Premises without reimbursement or other setoff from City. University acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that as a result University will be responsible for satisfaction of leasehold taxes assessed or levied on the subject Premises at least one year after University vacates the Premises. University's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this IGA. Notwithstanding the foregoing, nothing contained herein shall preclude University from contesting any charge or tax levied against the Premises based upon University's status as a public body corporate and politic of the State of Illinois or any other exemption, claim or defense. The failure of University to pay

such taxes during the pendency of such contest shall not constitute a default under this IGA, but payment of leasehold taxes may be a requirement for contesting such taxes.

3.5 Accord and Satisfaction. No payment by University or receipt by City of a lesser amount than any installment or payment of the rent or Operating Costs or other costs due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. City may accept such check or payment without prejudice as to City's right to recover the balance of such installment or payment to pursue any other remedies available to City.

#### **SECTION 4. ENJOYMENT OF PREMISES, MAINTENANCE, ACCESS, USE, ALTERATIONS AND ADDITIONS**

4.1 Covenant of Quiet Enjoyment. City covenants and agrees that University, upon paying the rent, Operating Costs, and upon observing and keeping the covenants, agreements and conditions of this IGA on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this IGA) during the Term without hindrance or molestation by City or by any person or persons claiming under City.

4.2 Maintenance. City shall take reasonable and reasonably prompt efforts to maintain the Premises and the Building and all of its structural elements, mechanical systems, in a condition of good repair and good order and in compliance with all applicable building codes. University shall notify City regarding any issues with maintenance of the Premises and/or Building. University shall also notify City regarding any issues with other services provided to the Premises and/or Building by City or through City's contractors. In the event that City fails to repair and/or correct problems that impact University's operations as a health care clinic and/or the health and safety of University's employees and/or patients following twenty (20) days written notice to City, University may undertake such repairs/maintenance through contractors or tradespersons acceptable to City and deduct such charges against future Operating Costs.

4.3 City's Right of Access. City shall have the right of reasonable access to the Premises and/or Building, upon reasonable prior written notice to University, for the purpose of inspecting and making City repairs to the Premises and/or Building. City shall also have the right of reasonable access to the Premises and/or Building for the purposes of monitoring University's compliance with Grant Agreement and Grant Renewal Agreement. City shall always have access to the Premises and/or Building in the event of maintenance emergencies or security emergencies.

4.4 Use of the Premises. University shall not use the Premises in a manner that would violate any law. University further covenants not to do or suffer any waste or damage any portion of the Premises and/or Building, and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. University's activities on the Premises shall be conducted in accordance with the Grant Agreement and Grant Renewal Agreement between University and City's Department of Public

Health. All such activities must be provided consistent with University's not-for-profit purposes and so as to lessen the burdens of government by providing such health care services.

4.5 Alterations and Additions. University may make alterations, additions, and improvements on the Premises. Any such alterations, additions and improvements shall be in full compliance with the applicable Law, permit requirements, and building codes. In addition, University will comply with all insurance requirements under this IGA including, but not limited to, Section 6.1 (f). University must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions and or improvements. Any additions and improvements shall be without cost to City and shall become property of City at termination without offset or other credit to University.

## **SECTION 5. ASSIGNMENT AND LIENS**

5.1 Assignment. University may assign this IGA in whole or in part or sublet the Premises or any part thereof upon the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Such consent shall not be unreasonably withheld, conditioned, or delayed.

5.2 University's Covenant against Liens. University shall not cause or permit any lien or encumbrance, whether created by act of University, operation of law or otherwise, to attach to or be placed upon City's title or interest in the Premises. All liens and encumbrances created by University shall attach to University's interest only. In case of any such lien attaching, University shall immediately pay and remove such lien or furnish security or indemnify City in a manner satisfactory to City in its sole discretion to protect City against any defense or expense arising from such lien. Except during any period in which University appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, University shall immediately pay any judgment rendered against University, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If University fails to pay and remove any lien or contest such lien in accordance herewith, City, at its election, may pay and satisfy same, and all sums so paid by City, with interest from the date of payment at the rate set at 12% per annum.

City covenants and agrees that QCDC, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Agreement on its part to be kept, observed, and performed, shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by City or by any person or persons claiming under City.

4.2 QCDC's Duty to Maintain Premises and Right of Access. QCDC shall, at QCDC's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including, but not limited to, those provisions in Title 14 ("Electrical Equipment and Installation") and all applicable provisions of the Landscape Ordinance of the City of Chicago. City shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises. alterations, additions, and improvements shall be limited to alterations, additions and improvements reasonably related to the placement, maintenance, and display of decorative murals. Such alterations, additions and improvements shall be in full compliance with all applicable laws and codes. In addition, QCDC will comply with all insurance requirements under this Agreement. In case of any such lien attaching, QCDC shall immediately pay and remove such lien or furnish security or indemnify City in a manner satisfactory to City in its sole discretion to protect City against any defense or expense arising from such lien. Except during any period in which QCDC appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, QCDC shall immediately pay any judgment rendered against QCDC, with all proper costs and charges, and

shall have the lien released and any judgment satisfied. If QCDC fails to pay and remove any lien or contest such lien in accordance herewith, City, at its election, may pay and satisfy same, and all sums so paid by City, with interest from the date of payment at the rate set at 12% per annum.

QCDC shall submit evidence of insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from QCDC shall not be deemed to be a waiver by the City. QCDC shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve QCDC of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by QCDC.

QCDC agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

QCDC expressly understands and agrees that any coverages and limits furnished by QCDC shall in no way limit QCDC's liabilities and responsibilities specified within the Agreement documents or by law.

QCDC expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by QCDC under this Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to reasonably modify, delete, alter, or change these requirements.

6.3 QCDC's Indemnification. QCDC shall indemnify, defend, and hold City harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards,

costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), and loss or damage to personal property as set forth in Section 6.1, whether such claim is related to or arises from personal injury, property damage, or property loss which may be expended by or accrue against, be charged to, or be recovered from City or QCDC by reason of QCDC's performance of or failure to perform any of QCDC's obligations under this Agreement, or QCDC's negligent acts or failure to act, or resulting from the acts or failure to act of QCDC's or any of QCDC's contractors, respective officers, directors, agents, employees, licensees or invitees. QCDC shall indemnify, defend and hold City harmless against any and all claims, including but not limited to, claims that may arise in relation to the use of the Premises by the general public.

Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

**SECTION 9.****HOLDING OVER.**

9.1 Holding Over. Any holding over by QCDC shall be construed to be a tenancy from month to month only beginning on January 1, 2020 (the "**Holding Over**") and the rent shall be the same as listed in Section 3.1 of this Agreement. During any Holding Over all other provisions of this Lease shall remain in full force and effect.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Agreement shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Agreement shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Agreement shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Agreement shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.6 Binding Effect of Agreement. The covenants, agreements, and obligations contained in this Agreement shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Agreement and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Agreement shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of City and QCDC respectively and that by their execution of this Agreement, it became the binding obligation of City and QCDC respectively, subject to no contingencies or conditions except as specifically provided herein.

10.11 Force Majeure. When a period of time is provided in this Agreement for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 QCDC Default. QCDC must adhere to all provisions of this Agreement. Failure of QCDC to adhere to all provisions of this Agreement will result in default. In the event of such default, City will notify QCDC in writing as to the circumstances giving rise to such default.

Upon written receipt of such notice, QCDC must cure such default within fifteen (15) days. If QCDC does not cure such default within fifteen (15) days, City may cancel this Agreement with fifteen (15) days written notice.

Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Agreement and all other provisions of this Agreement shall otherwise remain in full force and effect.

## SECTION 11.

11.1 Artist Waiver. If requested by City, QCDC shall secure a Visual Artists Rights Act (17 U.S.C. § 101 et seq.) waiver from all mural artists or contributors that will be placing murals or other art work on the Premises. Such waiver shall be in a form acceptable to City and in a format substantially compliant with the waiver sample attached hereto and made a part hereof as **Exhibit D**. If requested by City, QCDC shall also obtain any consents required under any copyright, license, or similar intellectual property agreement necessary for the display of the murals, if any.

11.2 Inspection. QCDC agrees that QCDC has inspected the Premises and all related areas and grounds and that QCDC is satisfied with the physical condition thereof and QCDC accepts the Premises in "as-is" condition.

11.3 Maintenance Service. QCDC shall provide, at QCDC's expense, any and all service for maintenance of any signs or murals on the Premises or any equipment placed thereon by QCDC. QCDC acknowledges that City shall not have any responsibilities whatsoever with respect to the Premises or with respect to any signs or murals on the Premises or any equipment placed thereon by QCDC.

11.6 Hazardous Materials. QCDC shall keep out of Premises materials which cause a fire hazard or safety hazard and comply with reasonable requirements of City's fire insurance carrier. QCDC shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment, or appurtenances thereto.

11.7 Full Responsibility. QCDC assumes full legal and financial responsibility and liability for any and all use of the Premises by QCDC, QCDC's staff, QCDC's agents, QCDC's invitees, and any other person or persons entering the Premises.

11.8 Permits and Licensing. QCDC must secure all other permits and approvals that may be required to undertake the use of the Premises. QCDC understands that this Agreement shall not act as a substitute for any other permitting or approvals that may be required to undertake the use of the Premises. Failure to obtain a required license or permit shall constitute a default of the terms of this Agreement.

11.9 Non-Discrimination. QCDC shall not discriminate against any participant or employee upon the basis of race, religious affiliation, color, national origin, political persuasion, age, immigration status, or sexual orientation. Nor shall any person be denied admittance or be prevented from participating in any activity within the Premises upon the basis of any of the foregoing.

11.10 Trade Fixtures. Upon the termination or cancellation of this Agreement by lapse of time, QCDC shall remove QCDC's personal property and equipment including, but not limited to, all murals and artwork placed on the Premises. QCDC shall repair any injury or damage to the Premises which may result from such removal. If QCDC does not remove QCDC's furniture, machinery, trade fixtures, materials, murals, artwork, and all other items of personal property of any kind from the Premises prior to the end of the Term, City may, at City's option, remove the same and deliver them to any other place of business of QCDC or warehouse the same. QCDC shall pay the cost of such removal (including the repair for such removal, delivery, and warehousing) to City on demand. 11.11 Condition of Premises upon Termination. Upon the termination of this Agreement, QCDC shall surrender the Premises to the City in the same comparable condition to the condition of the Premises at the beginning of QCDC's occupancy of the Premises, with normal wear and tear excepted.

11.12 No Other Rights. This Agreement does not give QCDC any other right with respect to the Premises, including, but not limited to, closure of streets, sidewalks, or other public thoroughfares. Any rights not specifically granted to QCDC by and through this Agreement are

reserved exclusively to City. Execution of this Agreement does not obligate City in any manner and City shall not undertake any additional duties or services.

11.13 Future Development. QCDC understands that City may actively market the Premises to other parties for disposition. City is under no obligation to market the site to QCDC. In the event of such sale, QCDC's sole remedy is to vacate the Premises. City is under no obligation to provide QCDC with alternative locations.

11.14 Economic Disclosure Statement Affidavit Updates. Throughout the Term, QCDC shall provide City with any material updates to the information previously submitted in QCDC's Economic Disclosure Statement Affidavit. City may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Agreement.

## SECTION 12.

### QCDC DISCLOSURES AND REPRESENTATIONS.

12.1 Business Relationships. QCDC acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. QCDC hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification. QCDC represents and warrants that neither QCDC nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to QCDC that, directly or indirectly, through one or more intermediaries, controls, is

controlled by or is under common control with QCDC, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. QCDC agrees that QCDC, any person or entity who directly or indirectly has an ownership or beneficial interest in QCDC of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, QCDC's contractors (i.e., any person or entity in direct contractual privity with QCDC regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (QCDC and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by QCDC, (ii) while this Agreement or any Other Contract is executory, (iii) during the Term of this Agreement or any Other Contract between QCDC and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the Commencement Date of Executive Order 2011-4.

QCDC represents and warrants that from the date the City approached QCDC or the date QCDC approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

QCDC agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

QCDC agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, QCDC agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If QCDC intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which QCDC is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other’s sole domestic partner, responsible for each other’s common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
  - 1. The partners have been residing together for at least 12 months.
  - 2. The partners have common or joint ownership of a residence.
  - 3. The partners have at least two of the following arrangements:
    - a. joint ownership of a motor vehicle;
    - b. a joint credit account;
    - c. a joint checking account;
    - d. a lease for a residence identifying both domestic partners as tenants.
  - 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, QCDC warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, QCDC's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit QCDC's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect QCDC's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by QCDC or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. QCDC shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and tenant of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Foundation understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 Shakman Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) QCDC is aware that City policy prohibits City employees from directing any individual to apply for a position with QCDC, either as an employee or as a subcontractor, and from directing QCDC to hire an individual as an employee or as a subcontractor. Accordingly, QCDC must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by QCDC under this Agreement are employees or subcontractors of QCDC, not employees of the City of Chicago. This Agreement is not intended

to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by QCDC.

(iii) QCDC will not condition, base, or knowingly prejudice or affect any term or terms or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to QCDC by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, QCDC will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. QCDC will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, Pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 and 5585 of the *Journal of the Proceedings of the City Council of the City of Chicago* ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, The Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the *Journal* for such date at pages 11830 --11833, and on January 7, 1983 and published in the *Journal* for such date at pages 14803 --14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, Pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the *Journal* for such date at pages 56195 -- 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the *Journal* for such date at pages 92771 -- 92773, and on July 28, 2010 and published in the *Journal* for such date at pages 97370 -- 97374 (such new program, as amended, the "ANLAP Program"); and

The covenants shall terminate 10 years after the date of the conveyance of the parcel to the grantee; and

### SECTION 13.

#### LANDLORD DISCLOSURES AND AFFIRMATIONS.

13.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the Tenant, or any person acting at the direction of such official, to contact, either orally or in writing, any other Tenant official or employee with respect to any matter involving any person with whom the elected Tenant official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that

no violation by Landlord of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor, to the best of Landlord's knowledge, any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the Tenant may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that to the best of Landlord's knowledge from the later of (a) May 16, 2011, or (b) the date the Tenant approached Landlord, or the date Landlord approached the Tenant, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the Tenant, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the Tenant to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the Tenant may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) “Bundle” means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) “Other Contract” means any other agreement with the Tenant to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) “Contribution” means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are “domestic partners” if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:

- (1) The partners have been residing together for at least 12 months.
- (2) The partners have common or joint ownership of a residence.
- (3) The partners have at least two of the following arrangements:
  - (A) joint ownership of a motor vehicle;
  - (B) joint credit account;
  - (C) a joint checking account;
  - (D) a lease for a residence identifying both domestic partners as tenants.
- (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease (“Subcontractors”), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this Lease is executory, Landlord’s, any general Contractor’s or any Subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the Tenant to all remedies under this Lease, at law or in equity. This section does not limit Landlord’s, its general Contractors’ and its Subcontractors’ duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the Tenant as grounds for the termination of this Lease, and may further affect the Landlord’s eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with Tenant. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby, Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a Tenant contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to

cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and include a provision requiring their compliance with such Chapters 2-55 and 2-56 in any written agreement between Landlord and its Contractors and Subcontractors.

### 13.7 Shakman Prohibitions.

(i) The Tenant is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a Tenant employee or Tenant official in violation of Section 13.7, or advocating a violation of Section 13.7, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Tenant's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant Tenant department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

IN WITNESS WHEREOF, The parties have executed this Lease as of the Commencement Date.

No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of rent due shall be deemed to be other than an account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction, and Landlord may accept

such check or payment without prejudice to the Landlord's right to recover the balance of such installment or payment to pursue any other remedies available to Landlord. (a) Landlord has received no notice of any violations of local, state, or federal laws or regulations, including environmental protection agency violations relating to the Premises.

(b) Tenant has examined the Premises and has full knowledge of the physical condition of the same. The execution of the Lease by Tenant shall be deemed to be conclusive evidence of the receipt and acceptance of the Premises "as is." No representation or statement as to the condition of the Premises has been made by Landlord or any agent of Landlord that is not set forth herein or endorsed hereon. No promise by Landlord to improve, maintain, or repair the Premises, or any portion thereof, in any way has been made either before or at the time of the execution of this Lease.

(c) Tenant shall, at its own expense, take such steps as are necessary to prevent injury, damage, or pollution of the Premises or surrounding environment. At a minimum Tenant shall cover salt piles with a protective tarp or other covering to prevent leaching or salt run-off onto the Premises or adjoining properties. Tenant shall also exercise any other standard industry practices.

**4.2 Covenant of Quiet Enjoyment.** Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord. Tenant shall comply with all applicable state and federal, county and municipal environmental regulations. Non-compliance with these conditions may be used by the Landlord as grounds for the termination of this Lease subject to Section 10.10 hereunder.

**4.3 Use of the Premises.** Tenant shall occupy and use the Premises for receiving, storing, and loading out bulk salt material only. The bulk salt material so stored will be received by truck, rail, or water vessel. Tenant shall not accept, store, load, or handle any material or cargo other than salt without first obtaining the Landlord's written consent. Landlord shall not unreasonably withhold, condition, or delay such consent. Tenant shall use the Premises in compliance with all applicable local, state, and federal laws.

4.4 Alterations, Additions, Improvements, and Surrender. Tenant shall have the right to make such alterations, additions, and improvements on the Premises as it shall deem necessary. Any such alterations, additions and improvements shall be in full compliance with any applicable laws. Tenant must obtain Landlord's prior written consent before commencing any improvements. Landlord shall not unreasonably withhold, condition, or delay such consent. It is further agreed that at the termination of this Lease by lapse of time or otherwise, Tenant shall remove Tenant's alterations, additions, or improvements.

4.5 Right to Inspect. Tenant shall permit Landlord, or Landlord's agents, at Landlord's expense and risk, to enter the Premises in order to inspect same for the purpose of ascertaining the condition thereof with respect to the maintenance and upkeep of the Premises. The Landlord shall, however, give Tenant reasonable notice of its intention to inspect the Premises and Landlord's agents that inspect the Premises may be accompanied by employees or agents of Tenant.

## **SECTION 5.**

### **ASSIGNMENT, SUBLEASE, AND LIENS.**

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold such consent.

5.2 Tenant's Covenant against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to, or be placed upon, Landlord's title or interest to the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only .

## **SECTION 6.**

### **INSURANCE.**

6.1 Tenants' Self-Insurance. Tenant, City of Chicago, is self-insured and will provide Landlord with a letter from the City of Chicago executed by an authorized official of the City of Chicago indicating that the City of Chicago is self-insured. This letter shall be tendered to Landlord when this Lease is executed.

6.2 Landlord's Insurance. The Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to the Lease.

The kinds and amounts of insurance required are as follows:

(a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all Landlord's employees at the Premises and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness. This provision shall also apply to Landlord's employees, agents or clients hired for work on the Premises.

(b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Lease.

(c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Landlord shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6.3 Other Terms of Insurance. The Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Room 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Lease.

The Tenant shall submit evidence of insurance prior to Lease award to Brown Inc. 720 W. U.S. Highway 20 Michigan City, IN. 46360 Attn: Ms. Deborah Hyndman.

Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and Landlord or Tenant retains the right to terminate the Lease until proper evidence of insurance is provided.

Landlord and Tenant expressly understand and agree that any insurance coverages and limits furnished by Landlord shall in no way limit their liabilities and responsibilities specified within the Lease documents or by law.

Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply only to the City's employees, agents, contractors, vehicles, structures, materials, supplies and equipment, as the case may be, and shall not contribute with or be in excess of any insurance that the Landlord must provide under subsection 6.2.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

6.4 Mutual Indemnification. Landlord and Tenant (subject to allocation of adequate appropriations and any other applicable legislative procedures, requirements, and approvals) shall indemnify and hold each other harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from either party by reason of: (a) any negligent performance of or failure to perform any of the obligations under this Lease, (b) by reason of any negligence causing death or bodily injury or loss or damage to property and arising out of the acts or omission of either party in connection with the use of the Premises or the conduct of business, thereon, or (c) by reason of either party's violation of any Federal, State or local laws, ordinances or regulations attributable to the use of the Premises or the conduct of business thereon.

## **SECTION 7.**

If the Premises shall be damaged or destroyed to such an extent that Tenant cannot continue to occupy or conduct Tenant's normal business therein, or if, in Tenant's opinion, the Premises are rendered unusable, Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall within forty-five (45) days repay to Tenant all prepaid rent.

Landlord shall have the right to terminate; this Lease by providing Tenant sixty (60) days prior written notice anytime on or after October 1, 2014. Notwithstanding the foregoing, Landlord may not terminate this Lease where the term expires between October 1st through March 31st of any year, such period being the snow season when the use of the Premises for salt storage purposes is essential to City operations, and public safety. Tenant may negotiate Tenant's possible acquisition of the Premises and any adjoining property owned by Landlord. In the event that Tenant acquires such property pursuant to separate City Council approved Ordinance, this Lease shall terminate under the terms of such separate transaction.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God,; wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation. If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the Term of this Lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Under no circumstances shall Tenant make any payments due hereunder to any broker(s).

10.14 Amendments. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto. Tenant will not introduce or store any industrial fluids or industrial materials within the Premises.

11.5 Security. Tenant shall be responsible for securing Tenant's materials and equipment on the Premises. Tenant acknowledges that Landlord shall not have any security obligations.

## **SECTION 12.**

### **LANDLORD DISCLOSURES AND AFFIRMATIONS.**

12.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the

City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation by Landlord of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor, to the best of Landlord's knowledge, any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011 -4.

Landlord represents and warrants that to the best of Landlord's knowledge from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) (c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:
  - (1) The partners have been residing together for at least 12 months.
  - (2) The partners have common or joint ownership of a residence.
  - (3) The partners have at least two of the following arrangements:
    - (A) joint ownership of a motor vehicle;
    - (B) joint credit account;
    - (C) a joint checking account;
    - (D) a lease for a residence identifying both domestic partners as tenants.
- (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11 -4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and include a provision requiring their compliance with such Chapters 2-55 and 2-56 in any written agreement between Landlord and its Contractors and Subcontractors.

12.7 Shakman Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that City policy prohibits City employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual

persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a City employee or City official in violation of Section 12.7, or advocating a violation of Section 12.7, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

IN WITNESS WHEREOF, the parties have executed this Lease as of the Effective Date.

The following is said resolution as adopted.

WHEREAS, It recently came to light that the United States Department of Veterans Affairs Health Care System in Phoenix, Arizona has a waiting list of nearly 1,600 veterans waiting to secure an appointment for medical care; and

WHEREAS, As a result of this massive backup in services, at least 40 veterans have died while awaiting appointments at the Phoenix facility; and

WHEREAS, Following the discovery of the debacle in Phoenix, federal authorities have opened investigations into 26 other VA hospitals across the country; and

WHEREAS, Chicagoland is the proud home of the Edward Hines, Jr. Veterans Administration Hospital, which serves thousands of veterans who live in and around the City of Chicago; and

WHEREAS, Hines VA Hospital is currently under federal investigation stemming from allegations that executives have surreptitiously kept patients on wait lists as part of a scheme to collect bonuses for meeting benchmarks for providing timely treatment; and

WHEREAS, Without in any way maligning the vast majority of physicians, nurses, and staff who work tirelessly and honorably to provide care at Hines, it must be said that the alleged conduct on the part of the executives at the heart of this investigation is outrageous and completely unacceptable; and

WHEREAS, President Obama has vowed to investigate impropriety at the Department of Veterans Affairs and to hold those involved accountable; and

WHEREAS, Congress plays a key role in providing oversight to federal agencies throughout the federal government and enacting legislation to ensure all VA hospitals provide care in a timely manner; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 25<sup>th</sup> day of June 2014, do hereby call upon the City Council's Committee on Human Relations to hold a hearing on what actions the City of Chicago can take to ensure that our nation's veterans receive the respect, honor, and timely access to health care that they so richly deserve; and upon the federal government both to identify the root causes of the current VA crisis, and to educate state and local governments on how to best assist the federal government in this cause; and

*Be It Further Resolved*, That a suitable copy of this resolution be presented to the President of the United States, the members of the Illinois Congressional Delegation, and the Secretary of the United States Department of Veterans Affairs.

The following is said ordinance as passed:

**WHEREAS**, In 2008, the Supreme Court of the United States decided the case *District of Columbia v. Heller*, and held that the Second Amendment to the United States Constitution protects an individual's right to possess a firearm unconnected with service in the militia; and

**WHEREAS**, In 2010, the Supreme Court issued its opinion in *McDonald v. City of Chicago*, and held that the Second Amendment's right to possess a handgun for self-defense in the home also applied to the states; and

**WHEREAS**, On January 6, 2014, in *Illinois Association of Firearms Retailers v. The City of Chicago*, the United States District Court for the Northern District of Illinois declared that the City of Chicago's (the "City") ban on the sale and transfer of firearms was unconstitutional under the Second Amendment; and

**WHEREAS**, Every year, more than 100,000 people in our nation are injured, maimed or killed with a firearm; and

**WHEREAS**, Firearm-related injuries and deaths are the cause of significant social and economic costs to the City and our communities and have a severe impact on our criminal justice and health care systems; and

**WHEREAS**, The majority of all firearms recovered in crimes were originally sold by licensed firearms dealers; and

**WHEREAS**, The Bureau of Alcohol, Tobacco, Firearms and Explosives (the "ATF") has reported that straw purchasing from licensed firearms dealers is the most common way in which firearms are diverted to the illegal gun market; and

**WHEREAS**, In 2012, more than 16,000 firearms were lost or stolen from licensed firearms dealers across the country; and

**WHEREAS**, The ATF licenses and regulates firearms dealers, but the State of Illinois does not require any such license; and

**WHEREAS**, Research has shown that state and local regulation of firearms dealers, coupled with regular compliance inspections, is associated with significantly less illegal gun trafficking, straw purchasing and firearm theft; and

**WHEREAS**, In order to provide for the ongoing protection of the public welfare and safety, it is essential for the City Council of the City of Chicago to promptly pass an ordinance that provides for reasonable regulation of the sale and transfer of firearms, including regulations for the effective licensing of firearm dealers; now, therefore,

WHEREAS, under the terms and conditions hereof, the City agrees to make the Grant available to Park District; and

WHEREAS, the City and Park District have among their powers the authority to contract with each other to perform the undertakings described herein;

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Park District agree as follows:

## **SECTION 1.**

### **THE GRANT.**

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Park District for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by DPD, and only after Park District has submitted Certificate(s) of Expenditure to DPD (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Park District may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Park District must submit documentation regarding the applicable expenditures to DPD. Delivery by Park District to DPD of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

(c) Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and

(d) Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. Park District hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Park District must repay to the City any such excess Grant funds received by Park District.

1.4. Park District is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Park District be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement are funds identified by CAPS Codes: PS36 131 54 5036 2604 (\$260,000) and PS02 131 54 5002 2604 (\$24,000). Park District hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Park District in writing of that occurrence, and Park District will have the right, but not the obligation to terminate this Agreement by written notice to the City.

## **SECTION 2.**

### **DEVELOPMENT AND CONSTRUCTION OF THE PROJECT.**

A. Title Commitment and Insurance; Survey. Park District must be responsible for obtaining, at its own expense, any title commitment or title policy and survey with respect to the Property that it deems necessary.

B. Construction Documents and Landscape Plan. Park District has developed the construction documents and a plan for the Project (the "Drawings") as shown on Exhibit C. No material deviation from the Drawings will be made without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed. The approval of the Drawings by DPD are for the purposes of this Agreement only and other than as set forth in the Drawings, no structures or improvements are to be constructed on the Property by Park District without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed and will not constitute the approval required by the City's Department of Buildings, or any other Department of the City.

C. Schedule. Park District has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the "Schedule"). No material deviation from the Schedule will be made without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of DPD be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. Use. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Park District or any other person or entity to use the Project for private parties or events.

E. Certification. Park District must submit a payment certification form as attached as Exhibit E prior to any Grant funds being released.

### **SECTION 3.**

#### **TERM OF AGREEMENT.**

Term of Agreement. The term of this Agreement will commence as of the Closing Date and, unless otherwise terminated as provided in this Agreement, will expire on the second anniversary of the Closing Date. Notwithstanding the foregoing, if Park District modifies the Schedule pursuant to Section 2(c) of this Agreement and such modification extends beyond the term, the term will be adjusted accordingly.

### **SECTION 4.**

#### **COVENANTS AND REPRESENTATIONS.**

Park District hereby warrants, represents and/or covenants to the City that:

4.1. Park District will use the Grant solely for the Project and to pay for eligible costs as determined in the sole discretion of the City and outlined on Exhibit B.

4.2. Park District will comply with all applicable federal, state, and local statutes, laws, ordinances, rules, regulations and executive orders that are in effect from time to time that pertain to or affect the Project, Park District, or the Grant. Upon the City's request, Park District will provide evidence of such compliance satisfactory to the City.

4.3. Park District agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4.4. Park District has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

4.5. Signing, delivery and performance by Park District of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Park District is party or by which it is bound.

4.6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Park District that would materially impair its ability to perform under this Agreement.

4.7. Park District is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

4.8. If the Grant, or a portion thereof, is used for construction, Park District and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

4.9. Park District must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

4.10. Park District must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

4.11. Intentionally Omitted.

4.12. Intentionally Omitted.

4.13. The Parties agree that the Park District will maintain the Project improvements on the Property in a condition and manner acceptable to the City.

4.14. It is the duty of Park District and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Park District and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Park District represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Park District in connection with this Agreement of this provision in writing and require their compliance.

It is the duty of the Park District and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Park District and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Park District represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Park District in connection with this Agreement of this provision in writing and require their compliance.

4.15 Failure by Park District or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

4.16 Independent Contractor

(a) The Park District shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and June 24, 2011 "City of Chicago Hiring Plan!!" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Park District is aware that City policy prohibits City employees from directing any individual to apply for a position with Park District, either as an employee or as a subcontractor, and from directing Park District to hire an individual as an employee or as a subcontractor. Accordingly, Park District must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Park District under this Agreement are employees or subcontractors of Park District, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Park District.

(d) Park District will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Park District by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Park District will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of DPD. Park District will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

#### 4.17 FOIA and Local Records Act Compliance

(a) FOIA. Park District acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Park District receives a request from the City to produce records within the scope of FOIA, then Park District covenants to comply with such request within 48 hours of the date of such request. Failure by Park District to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Park District submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Park District to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Park District mark any such documents as "proprietary, privileged or confidential." If Park District marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Park District acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1, et. Seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Park District covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

## **SECTION 5.**

### **ENVIRONMENTAL MATTERS.**

5.1. It will be the responsibility of Park District to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

5.2. Park District agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Park District must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Park District.

5.3. Prior to inspecting the Property, Park District or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

## **SECTION 6.**

### **INSURANCE.**

6.1. Park District must provide and maintain at Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

#### **INSURANCE TO BE PROVIDED**

6.1.1. Workers Compensation and Employers Liability. Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

6.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work or services for Park District must maintain limits of not less than \$1,000,000 with the same terms in this subsection.

6.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, Park District must provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

6.1.4. Professional Liability. When any architects, engineers, or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or caused to be maintained, with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6.1.5 Self- Insurance. To the extent permitted by applicable law, the Park District may self- insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self-insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

6.2. ADDITIONAL REQUIREMENTS. Park District must furnish the City of Chicago, Department of Planning and Development, 121 N. LaSalle Street, Room 1101, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Park District must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Park District is not a waiver by the City of any requirements for Park District to obtain and maintain the specified coverages. Park District must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Park District of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Park District.

Park District agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Park District in no way limit Park District's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Park District under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Park District must require all subcontractors to provide insurance required in this Agreement, or Park District may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Park District unless otherwise specified in this Agreement.

If Park District or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

#### **SECTION 7.**

##### **INDEMNIFICATION.**

Park District will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Park District and/or any contractors or subcontractors in implementing the Project, if any, or Park District's breach of this Agreement. This defense and indemnification obligation survives any termination or expiration of this Agreement.

#### **SECTION 8.**

##### **NO LIABILITY OF OFFICIALS.**

No elected or appointed official or member or employee or agent of the City will be charged personally by Park District or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

#### **SECTION 9.**

##### **DEFAULT AND REMEDIES.**

9.1. If Park District, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below.

9.2. Prior to termination, the City will give Park District 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Park District does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Park District will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

9.3. Either Party may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of this Agreement, or damages for failure of performance, or both.

## **SECTION 10.**

### **NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS.**

10.1. Pursuant to Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term business relationship is defined in Section 2-156-080 of the Code.

10.2. Section 2-156-080 of the Code defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest will not include: (i) any ownership through purchase at fair market value or inheritance of less than 1 percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company.

A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

Following approval by the Department of Planning and Development, the approved Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the Planned Development.

After approval of the Site Plan, changes or modifications may be made pursuant to the provisions of Statement 14. The Applicant acknowledges that the Planned Development includes a building commonly known as the St. Bernard Hospital Building, originally built in 1904 as the St. Bernard's Hotel Dieu and identified as potentially significant in the Chicago Historic Resources Survey. Pursuant to the Zoning Ordinance, Section 17-8-0911 and Section 13-32-230 of the Municipal Code, the Applicant acknowledges that planned developments should give priority to the adaptive reuse of historic buildings which have been designated as a "Chicago Landmark" or color-coded red or orange in the Chicago Historic Resources Survey. Therefore, the Applicant agrees to retain and preserve, as much as reasonably possible, the character-defining features of the building. The character-defining features are identified as all exterior elevations, including rooflines, visible from the public rights-of-way. Such work to the character-defining features shall be subject to the review and approval of the Department of Planning and Development as a part of the Part II Review.
13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

14. The terms and conditions of development under this the Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
15. The Applicant acknowledges that it is in the public interest to design, construct and maintain all improvements on the Property in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. A green roof of not less than 75 percent of the net roof area (approximately 20,250 square feet) shall be provided on the Ambulatory Care/Medical Office Building in Subarea A. The Applicant agrees to exceed the ASHRAE 90.1-2004 standards for energy efficiency by at least 14 percent. Any future developments in Subarea A or Subarea B shall be subject to the Chicago Sustainable Development Policy in effect at the time of such development.
17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Unless substantial construction of the proposed improvements as contemplated in this Planned Development has commenced within six years following the adoption of this Planned Development, and is diligently pursued, then this Planned Development shall expire. If this Planned Development expires under the provision of this section, then the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to RT4 Residential Two-Flat, Townhouse and Multi-Unit District.

O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 48.

*Nays* -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is resolution as adopted:

WHEREAS, The Leavitt Street Tavern LLC, members Theodore J. Harris, Sara Isabel Brick, Daniel T. Brick and Brenda Brick, filed on April 2, 2014, an application for an Administrative Adjustment pursuant to Article 17-13-1000 of the Chicago Zoning Ordinance for the approval of the change of licensee and continued operation of an existing tavern in a two-story building in an RT4 Residential Two-Flat, Townhouse and Multi-Unit District, on premises at 2345 North Leavitt Street.

WHEREAS, The decision of the Office of the Zoning Administrator rendered February 20, 2014 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, specifically Article 17-13-1000".

; and

WHEREAS, The district map shows that the premises is located in an RT4 Residential Two-Flat, Townhouse and Multi-Unit District.

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an RT4 Residential Two-Flat, Townhouse and Multi-Unit District; that the subject site is improved with a two-story building containing an existing tavern; that on July 12, 1990 the City Council passed an ordinance requiring an exception for the approval of the change of license of an existing tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the tavern patrons come from the local neighborhood and that the continued operation of the tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the continued operation of the existing tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

*Be It Resolved*, That the application for an Administrative Adjustment is approved for the change of licensee and continued operation of an existing tavern in a two-story building, on premises at 2345 North Leavitt Street, and that all applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

*Be It Further Resolved*, That the granting of the Administrative Adjustment shall run only with the applicant, The Leavitt Street Tavern LLC, members, Theodore J. Harris, Sara Isabel Brick, Daniel T. Brick and Brenda Brick, as licensee, and that a change of licensee shall terminate the Administrative Adjustment granted herein; and

*Be It Further Resolved*, That the tavern in the subject building is, and shall continue to be, subject to all applicable provisions of Article 6 of the Zoning Ordinance.

**CALL UPON ILLINOIS CONGRESSIONAL DELEGATION TO CREATE NATIONAL GUN REGISTRY.**

WHEREAS, Gun violence is not only an issue in the City of Chicago, it is a national issue in the United States of America residing as the cornerstone of domestic policy regarding safety and security; and

WHEREAS, The Federal Bureau of Alcohol, Tobacco and Firearms reported that 14 percent of gun trafficking investigations involved guns stolen from gun dealers; and

WHEREAS, Congress has the Enumerated Authority under the Commerce Clause of the Constitution of the United States of America to regulate gun possession nationwide. WHEREAS, A national gun registry can lead to the following benefits for not only the City of Chicago, but also all other municipalities in the United States of America:

- 1) identification and prosecution of violent criminals by helping law enforcement quickly and reliably identify the source of firearms recovered from crime scenes;
- 2) retrieval of firearms from persons who have become legally prohibited from possessing them through criminal convictions or other prohibitions; and
- 3) the reduction of illegal firearm sales and transfers by creating accountability for gun owners

; now, therefore,

*RECOGNITION EXTENDED TO BURNSIDE ELEMENTARY SCHOOL  
DESEGREGATION SIT-IN ON 52<sup>ND</sup> ANNIVERSARY.*

[R2014-475]

WHEREAS, The Burnside Elementary School Desegregation Sit-In, which honors a watershed moment in modern local civil rights history, is celebrating its 52<sup>nd</sup> anniversary honoring the fight for educational opportunity and equality in public educational institutions in Chicago during June 2014; and

WHEREAS, This august body has been informed of this important milestone by the Honorable Michelle A. Harris, Alderman of the 8<sup>th</sup> Ward; and

WHEREAS, May 17, 2014, marked the 60<sup>th</sup> anniversary of the landmark 1954 U.S. Supreme Court decision, *Brown v. Board of Education* and July 2, 2014 marks the 50<sup>th</sup> anniversary of the 1964 Civil Rights Act; and

WHEREAS, The movement to desegregate schools in Chicago began on a cold winter day on January 2, 1962, with a sit-in at Burnside Elementary School. It was organized by a group of dissatisfied PTA mothers and in many ways was the spark that ignited the Civil Rights Movement in Chicago; and

WHEREAS, The sit-in was in response to a highly unpopular and widely considered demeaning plan to relieve overcrowded conditions at Burnside Elementary School. The Chicago Board of Education ordered 7<sup>th</sup> and 8<sup>th</sup> grade students living east of the former South Park Boulevard (now Dr. Martin Luther King, Jr. Drive) and south of the railroad tracks to transfer to Gillespie Upper Grade Center located at 9301 South State Street. This order came in late December 1961, right before the Christmas holiday vacation. This action would force some students to now walk 17 blocks to school. The Chicago Board of Education,

which was then under the leadership of school superintendent Benjamin C. Willis, preferred transferring Black students rather than integrating the then predominantly white Perry Elementary School (now Harold Washington School), located at 9130 South University Avenue, which was a few convenient blocks from Burnside Elementary School; and

WHEREAS, Since its launch in 1962, the Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> movement has established a well-deserved reputation and quiet historical recognition for pushing toward the desegregation of Chicago schools during a time when the U.S., as well as Chicago were grappling with a range of civil and human rights issues affecting African-Americans. Over 200,000 students, parents and concerned Chicagoans boycotted, sat-in and walked-out of overcrowded and deteriorating schools on the South and West side of the City, in protest of "Willis Wagons" and other inequities, making an important statement among young people, community and religious activists, as well as everyday citizens and those in the affected communities; and

WHEREAS, During the past 52 years, the little-discussed, yet pivotal story of the strength, fortitude and bravery of a committed group of PTA mothers and concerned parents fighting for educational equality for Black children in Chicago Public Schools during the 1960's has existed on the periphery of local history; and

WHEREAS, Today, a renewed interest in and awareness of the accomplishments of Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary has encouraged Chicago genealogist Tony Burroughs and others to take another well-deserved look at this fight for educational justice and parity, which was designed to give a strong voice to those in economically and socially challenged communities throughout Chicago and led to the arrival of Dr. Martin Luther King, Jr. in Chicago during 1965 -- 1966 in support of this and other relevant civil rights and social justice causes; and

WHEREAS, In addition, the Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary helped leverage public-private opinion to effect social change and improved the lives of thousands of Chicago students, by providing them citywide access to schools that enabled them to positively focus on the future; and

WHEREAS, The Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary is overdue to be recognized for launching this movement, and triggering similar sit-ins and walkouts across the City. The "Burnside Mothers" goal was to reach the least and left out through direct action outreach, while successfully grooming the next generations to hold high the torch of excellence and equality in public education; and

WHEREAS, During these challenging times, the continuing dedication of the Burnside Elementary School Desegregation Sit-In survivors who inspired the creation of a photo mosaic mural dedicated to telling the story to future generations of leaders during this 52<sup>nd</sup> anniversary year deserves citywide recognition, as they seek to dramatically display the strategic social action of youth, adults, working families, and others throughout Chicago and beyond; and

WHEREAS, The Chicago City Council is pleased to salute the Burnside Elementary School Desegregation Sit-In, in honor of its 52<sup>nd</sup> anniversary for their longstanding dedication to creating a better City for all its residents; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25<sup>th</sup> day of June 2014 A.D., do hereby express our recognition and respect for this important historical legacy with respect to the educational equality for all Chicago Public School students, and do hereby extend to this group our sincere congratulations for their resistance and perseverance; and

*Be It Further Resolved*, That a suitable copy of this resolution be prepared and presented to the surviving members of the coalition in recognition and honor of Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary.
